OFFICE POLICY CONSENT

Thank you for choosing us as your health care provider. Our staff and physicians are committed to providing you the best service we can. The following is a statement of our office policy which we request you read and sign.

All patients are required to complete our registration form, provide us with a valid medical insurance card and a photo ID, as well as new insurance cards as they become available.

We accept assignment of insurance benefits as a courtesy to our patients; however, the balance is your responsibility. Deductibles applied by your insurance, not covered by another insurance, will also be your responsibility. Please be aware that some services provided may not be covered and may not be considered medically necessary, under Medicare and other insurances. Patients will be responsible for payment in full at the time of visit, unless valid insurance is presented. All copayments are to be paid at the time service is rendered.

Some visits may be performed by the nursing staff, without seeing a doctor, are considered an office visit and fees will be charged accordingly.

We ask 24-48 hours to process prescription requests and prescription refills. We use "Rx eligibility," which enables us to have electronic access to prescriptions filled at your preferred pharmacy(s).

If you are calling to make an appointment from a referring physician and your insurance requires a referral to be seen, please allow at least 3 business days prior to appointment to assure we receive the authorization. If you choose to be seen without proper authorization, you will be given a waiver to sign stating that you are aware authorization has not been received and would like to be seen. You will be responsible for any charges your insurance denies because of un-authorized visit.

There is a fee for copied medical records. We will notify you of the records fee and will require payment in full prior to the release of records. We require at least 5-10 business days to receive records and make copies.

Should you arrive late to your appointment, you may be asked to reschedule or you may have to wait to be seen between or after other patients who have arrived on time.

Unless cancelled at least 24 hours in advance, we reserve the right to charge a No Show/Late cancellation fee of up to \$50.00. Please help us better serve you better by keeping your scheduled appointments.

I, have read, understand and agree to the office policy of Urogynecology & Healing Arts, PLLC.

FINANCIAL POLICY

Thank you for choosing Urogynecology & Healing Arts to meet your medical needs. We are committed to providing you with the best treatment available. The following is a statement of our Financial Policy, which we request that you read and sign.

Co-pays and payment for services **before deductible is met** are due at the time services are rendered. For your convenience, we accept exact cash, checks, and major credit cards. If billed for copayment, a **surcharge of \$20.00** will be assessed in addition to the copayment amount.

Returned checks will be charged a twenty-five dollar (\$25.00) handling fee. Balances over thirty (30) days will be subject to a handling fee of five dollars (\$5.00). A minimum charge of fifty dollars (\$50.00) will be made for missed appointments and appointments cancelled less than twenty-four (24) hours in advance.

If you have insurance, we will help you receive your maximum allowable benefits; however, **you remain responsible for your co-pay and for payment if your claim is rejected.** Sixty (60) days from the date of the billing statement is a reasonable amount of time for the insurance company to adjudicate a submitted claim. **You will be responsible for the entire bill that has not been paid within sixty (60) days from the date of the billing statement.**

If you should desire treatment with a pessary, a medical device used to treat prolapse and leakage of urine, the cost to you will be \$140 per pessary ordered. We do not bill insurance for this device.

Consultations extending beyond 30 minutes will be billed using extended time codes. Please be aware that your insurance may or may not pay for these codes. **You will be responsible for any of the bill that your insurance does not pay.**

Your patience in receiving your billing statement is appreciated. As of September 1, 2022, we are transitioning to an electronic payment system. We believe this transition to electronic statements and payments will add convenience and clarity to our services and improve your experience with our practice overall.

I hereby confirm that I have read the above payment policy and agree to accept it.
