

Advanced Inventory Management System

"If you don't know your numbers, you don't know your business!"

- **Complete daily inventory of frames in minutes!**
- Know your inventory 24/7 from your pc or your phone.
- Replenishment report of frames sold and automated reordering with **Participating Vendors**.
- **Real time** inventory access to have you ship frame or put back on board and have Participating Frame Vendor drop ship to the labs. (Midland and Pech)
- Work load **DRAMATICALLY** reduced for your staff for frame reorders using your virtual Frame buyer!
- Currently integrated with **Crystal PMS** and **Vision Web** with more to follow for single entry simplicity!
- 35pcs Riserva consignment inventory required to participate.
