

7 HOURS CPD

OPEN WIDE: TIPS AND TRICKS FOR GP VETERINARY DENTISTRY

Learn from the talented Dave Deane,
RCVS Advanced Practitioner in Small Animal
Dentistry

Come join us for a day of lectures and interesting case based discussions covering:

- Dental setup, instruments, and staging
- Successful client communication
- Examining the conscious/anaesthetised patient
- Dental radiography and interpretation
- Malocclusions / fractured teeth / brachycephalics / cysts - And more!
