

Job Posting: Welder

Company: North Topeka Fabrication, 3801 NW 14th Street, Topeka, KS 66618

Summary:

Seeking an experienced welder to join our team. Ideal candidates will have a strong understanding of welding techniques and standard practices, as well as required quality and safety protocols while operating welding equipment.

Responsibilities:

- Interpret blueprints and identify welding specifications
- Set up, operate, and maintain welding equipment
- Perform a variety of welding tasks, including MIG, TIG, and arc welding
- Ensure that welds meet required standards and specifications
- Inspect raw material and finished parts for quality and defects
- Maintain a clean and organized work area
- Comply with all safety regulations and procedures

Qualifications:

- High school diploma or equivalent
- 3+ years of experience as a Welder, preferred
- Certification in MIG, TIG, and arc welding, preferred
- Ability to read and interpret blueprints and work orders
- Proficient use of measuring tools (calipers, tape measure)
- Basic math skills
- Mechanical aptitude and problem-solving skills
- Ability to repeatedly lift 50-100 pounds, while standing and bending for extended periods
- Ability to work independently and as part of a team
- Effective communication and interpersonal skills

Benefits:

- 4 day work week, with availability for overtime as needed
- Competitive salary, commensurate with experience
- Benefits include health, vision, dental and life insurance, and retirement plan options
- Opportunity to learn and grow in a dynamic and fast-paced environment

To Apply:
