

# Here's What We Did

## For HCA Henrico Doctor's Hospital

“Compirion worked on-site, side by side with hospital staff on a real-time basis. No one else we saw does that.”

Beemal Shah  
Associate Administrator

“The Compirion team brought focus and attention to the project. They were able to get contributions from the hospital staff in the form of ideas, provide idea implementation and keep everyone on task. Their ability to bring consistency and accountability is what made the project work.”

Ben Warner, RN  
Vice President of Nursing
