

CRITICAL CLASS DATES FOR ALL RELIGIOUS EDUCATION STUDENTS- 2025

There are several important dates that are mandatory for all religious education students to attend. We want you to have advance notice so you can plan ahead accordingly. We strongly urge you to mark your calendars now. These dates are obligations and are part of the Church's requirements for you to complete your education and receive the sacraments in proper form. If you have a scheduling conflict, work with your instructor so that he/she may help you to make up an important moment in your journey. Please remember **...your teacher is here to work with you!** The 2026 calendar will be provided in November.
