Introduction

Our terms of service outline the conditions for using our website and services. The website www.arbit.cloud is owned by Arbitcloud Pvt Ltd, a company registered under the Companies Act of 2013 in Bangalore, India.

By using our website and making purchases, you agree to these Terms.

Legal Age

By agreeing to these Terms of Service, you confirm that you are at least 18 years old or have obtained parental consent to access our website if you are underage. The parent or guardian providing consent for minors is responsible for their actions.

General Conditions

You agree not to reproduce, duplicate, copy, sell, or resell our website content without our express written permission.

The headings in this agreement are intended for your convenience only and do not limit or affect these Terms in any way.

Tokens

Arbitcloud tokens act as a currency within the System. The token price is tethered to the average cost of 10 grams of 24-karat pure gold.

Products or Services

Some products and services may only be available online and have limited availability. The prices of our AI products and consulting services fluctuate based on market conditions and demand.

Accuracy of Billing and Account Information

You agree to provide accurate and current information for all purchases, and you will promptly update your account details.

Optional Tools

We provide access to third-party tools, offered "as is" without warranties or endorsements.

Personal & Commercial Information

Our [Privacy Policy](#) outlines how we handle personal and commercial information submitted through the website.

Prohibited Uses

You cannot use the site or its content for the following:

- Unlawful activities
- Infringing intellectual property rights
- Sending spam or phishing

Violating these rules will result in termination of access to the Products and Services.

Indemnification

You agree to indemnify Arbitcloud Pvt Ltd and its affiliates from any claims, including attorney's fees, resulting from your breach of these Terms of Service.

Severability

If any part of these Terms of Service is deemed unlawful or unenforceable, it will be removed, the remaining provisions will still be valid and enforceable to the fullest extent allowed by law.

Termination

These Terms of Service remain in effect until terminated by either party. To terminate, submit a service request to support. You are responsible for any amounts owed up to the termination date, and access to our Products and Services will be restricted afterward.

Entire Agreement

These Terms are a complete agreement between you and us regarding the terms of our services and supersede any prior communications or agreements. Any ambiguities in these Terms will not be interpreted against the drafting party.

Arbitration

Any disputes arising from this agreement, including breaches, terminations, or validity, will be resolved by binding arbitration in accordance with the rules of Arbitcloud Private Limited. Both parties agree to undertake arbitration before pursuing legal action.

Governing Law and Jurisdiction

The Terms of Service are governed by Indian law, with exclusive jurisdiction in Bengaluru courts for disputes. By agreeing to this policy, you accept their authority and waive objections.
