

The Art and Language Enrichment class for VPK and 3 year old students meet one day a week. VPK will meet on Tuesday, while the 3-year-olds meet on Thursdays. Curious children experience their world through exciting and authentic learning opportunities in our enrichment classes. Our art/language enrichment classes will complement our core classes. Enrichment classes will provide an extension to create and explore, to further expand your child's overall development.

Students develop social skills, background knowledge, and extended vocabulary by engaging in a wide variety of tasks as they interact with their world in many ways.

Our committed and proficient educators collaborate closely with parents and caregivers to ensure each child's progress. Regular communication between home and school is facilitated weekly through Class Dojo.

Preschool children are enthusiastic learners who thrive on interactive experiences. At Waypoint Preschool, your child will engage in hands-on activities, fostering a love for exploration, creativity, inquiry, and the joy of discovering new concepts.
