This product has been sampled at the address above and tested by Cannalytics Bioscience Labs. Unless otherwise stated all quality control samples were performed within environmental conditions (23° ± 5°C / <70% RH) and specifications established by the Laboratory. This product has been tested using valid testing methodologies, SOPs 1 to 43, sampling procedures (SOPs 1-6) and a quality system as required by Regulation 9038. Values reported relate only to the product tested. Cannalytics makes no claims as to the efficacy, safety or other risks associated with any detected levels of any compounds reported herein. This Certificate shall not be reproduced except in full, without the written approval of Cannalytics.
