This product has been sampled at the clients address and tested by Cannalytics Bioscience Labs. Unless otherwise stated all quality control samples were performed within environmental conditions (23° ± 5°C / <70% RH) and specifications established by the Laboratory. This product has been tested using valid testing methodologies, SOPs 1 to 46, sampling procedures (SOPs 1-6) and a quality system as required by Puerto Rico Regulations. Values reported relate only to the product tested. The results apply to the sample as received on those where the laboratory didn't do the sampling. Cannalytics makes no claims as to the efficacy, safety or other risks associated with any detected levels of any compounds reported herein. This Certificate shall not be reproduced except in full, without the written approval of Cannalytics.
