The purpose of this document is to describe, in the best possible manner, my description of events I was directly witness to on the evening of Saturday, May 21.

At 8:06PM, Amber sent a text to Raquel asking her to come over to PH3, where she was engaged in conversation with her husband, Johnny. I was in PH5 with Liz, waiting for them to complete the conversation. Approximately 15 minutes later, we heard Johnny shouting, and saw (through the peephole) both of his security team rush over in the direction of PH3. We heard him continue to shout, as well as what sounded like banging on the walls (which was confirmed with the dents and scratches on the doors, as well as the wine spilled all over the hallway).

During this, I locked the door to PH5 (we left the doors unlocked to let the girls freely travel from apartment to apartment throughout the day). I heard Johnny come up to the door and shout at his security to "open this fucking door, let me in this fucking place." Which they did without hesitation. He walked in and immediately started screaming at me. I can't remember exactly what he was saying, but it was a reputation something along the lines of: "Get the fuck out of my house," "You motherfuckers fucking sold me out," so on and so forth. The whole time, no more than 6" from my face, spitting in my face the whole time. I didn't respond in any way, rather, calmly made my way to the door. I had forgotten my keys, so I turned around to grab them. He followed me every step of the way throughout, screaming and spitting in my face. I did not see where Liz went to, as I thought she was right behind me. He made a beeline to go right at her, and she ran away.

After I had left, I heard him screaming and smashing things inside the apartment as I made my way over to PH3 to check on Raquel & Amber, during which they relayed what had occurred. I moved them over to our apartment PH1, and dead-bolted the door until we were certain he had left. I kept them inside PH1, and went down to the garage to confirm their departure.

At 8:46PM, I started getting calls from his head of security, Jerry, as Johnny had left his phone there, and Jerry wanted me to bring it down for him to pick up. I told him not to pull into the complex, and that I would meet him at the front door. We had a verbal confrontation in the process of handing off the phone, which I can provide further detail should the need arise.

I declare under penalty of perjury that the foregoing is true and correct. Executed on Sunday, May 22.

The purpose of this document is to describe, in the best possible manner, my description of events I was directly witness to on the evening of Saturday, May 21.

At approximately 7:15, Amber informed me that her husband Johnny would be coming over shortly to pick up a few of his personal effects & discuss their current situation.

At 8:06PM I received a text from Amber asking me to come over to PH3 right away.

At 8:09PM I texted back to confirm she needed me immediately.

At 8:11PM I knocked on the door. The door was locked so I went back, grabbed my keys, knocked again, heard Johnny yelling. I immediately unlocked the door and came in to see him standing in the kitchen area. I asked if everything was ok, to which Amber replied "No. Help me."

Johnny had a magnum of wine in his hand, and told me to leave. I looked at Amber holding her face & her head, and she then told me that he threw her phone at her and hit her, and to please help her. He proceeded to argue, deny any and all wrongdoing, all while continuing to move closer to Amber. I stepped in front of him to shield her from him and put my hands on his chest, telling him to "stay away from her." To this, he replied "get your fucking hands off me." He then proceeded shoved my hands out of the way, which I then put back on his chest. He shouted "Oh you want to be fucking tough now, where's your fucking bearded boyfriend, you've got what you want, you've got her to yourself." He then backed away, saying "the DNA test will prove it, We Will Find Out who did this." He walked over to the kitchen area to grab his bag

I then went over to the couch to console Amber, who curled up in my arms, saying "I didn't do anything, I just called lo to confirm the story, I didn't do anything." While holding her on the couch, he starts yelling unintelligibly, ranting obscenities & random accusations specifically at Amber throughout. He grabs his bag & the wine, makes to leave, then turns around and comes back towards us, walks right up in front of us (still on the couch), states "Amber, get up," repeatedly, at least 10 times. All the while, no more than a foot away from us, with me still cradling her. At this point his security, Jerry & Sean came in. As soon as they come in, he retreated away, about 15 feet. Amber got up to head towards the bathroom, telling Jerry that if he "hits me one more time I'm calling the cops." Johnny denied that he had struck her. He said that he had "thrown her phone at her, and that's what she's accusing me of." Amber then repeated what she had said before "I didn't do anything, if he hits me one more time I'm calling the cops."

He then went into the kitchen area and started smashing things at random. His security did nothing but stand behind him. No effort was made to restrain him, no acknowledgment was made of the abuse, nor did they make any verbal effort to try and diffuse the situation or get him to walk away. He then stormed out of the apartment, screaming unintelligibly.

That was the last I saw of him that evening. I heard him yelling and breaking things for the next 15-30 minutes in the hallway and other apartments. When I went to find Amber's phone and purse in PH3 and PH5, still not knowing if he was on the premises, I discovered broken belongings. This included my art that had been thrown against the wall, Amber's office that had been ransacked, framed photos that had been smashed and glass broken, and art that had been taken from the wall and left on the bed in Amber's room.

In the public hallway there were puddles of spilled wine on the floor and splashed on the walls, and dents in the doors.

Amber was in my apartment (PH1) when the police arrived. To my knowledge he had already vacated the premises.

I declare under penalty of perjury that the foregoing is true and correct. Executed on Sunday, May 22.

IN THE CIRCUIT COURT OF FAIRFAX COUNTY, VIRGINIA

JOHN C. DEPP, II

Plaintiff,

v.

AMBER LAURA HEARD

Defendant.

Civil Action No.: CL-2019-0002911

DECLARATION OF JOHN CHRISTOPHER DEPP, II

I, John Christopher Depp, II, declare as follows:

1. I am a party in the above-entitled action. I have firsthand, personal knowledge of the facts set forth below and if called as a witness could competently testify thereto.

2. Ms. Heard's fabricated domestic violence allegations against me are categorically and demonstrably false. I have denied Ms. Heard's allegations vehemently since she first made them in May 2016, when she walked into court to obtain a temporary restraining order with painted-on bruises that witnesses and surveillance footage show she did not possess each day of the preceding week. I will continue to deny them for the rest of my life. I never abused Ms. Heard or any other woman.

3. I am bringing this lawsuit not only to clear my name and restore my reputation, but to attempt to bring clarity to the women and men whose lives have been harmed by abuse and who have been repeatedly lied to by Ms. Heard purporting to be their spokesperson. Fortunately, there is now clear evidence from over two dozen objective third parties, including police officers, former employees and neighbors of Ms. Heard's, and 4 Eastern Columbia building personnel, supported by 87 surveillance camera videos and other written and
