1. Aims

1.1 This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [Working Together to Improve School Attendance \(2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

1.2 We will also promote and support punctuality in attending lessons.

2. Legislation and Guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- The Education (Pupil Registration) (England) Regulations 2006 (and 2010, 2011, 2013, and 2016 amendments)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

It also refers to:

- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

This policy also complies with our trust's funding agreement and articles of association.

The Family Services Manager is responsible for:

- Driving attendance improvement across the trust.
- Working more intensively with schools who require support to improve attendance.
- Acting as a central contact point for schools with attendance queries.
- Liaising with the DfE's regional teams for advice about wider support programmes.

3.6 Class Teachers

All class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using either the present code / or N for children who are absent. Registers must be

submitted by 9am in a morning and by the close of afternoon register. Codes will then be updated by the Attendance Officer.

3.7 School Office Staff

School Office Staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system.
- Transfer calls from parents/carers to the Attendance Officer/Designated Senior Attendance Lead] where appropriate, in order to provide them with more detailed support on attendance.

3.8 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time.
- Call the school to report their child's absence before 9am on the day of the absence and advise when they are expected to return.
- Provide the school with more than 1 emergency contact number for their child.
- Ensure that, where possible, appointments for their child are made outside of the school day.
- Keep to any attendance contracts that they make with the school and local authority.
- Seek support, where necessary, for maintaining good attendance, by contacting the Attendance Officer who can then liaise with the wider Leadership and Family Liaison Teams.

3.9 Pupils

Pupils are expected to:

- Attend school every day, on time

4. Recording Attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

Doors open at 8:50am and registration is at 9.00am. The day ends at 3.30pm. Pupils must arrive in school by 9.00am each school day.

The register for the first session will be taken at 9.00am. The register for the second session will be taken at 1.00pm.

4.2 Unplanned Absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 9am or as soon as practically possible, by calling the school office staff, who can be contacted via 01743 236520 .

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment. Parents/Carers must contact the School Office to notify the school of a planned leave of absence.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Monitoring of lateness will be undertaken by the Attendance Officer and reported to the Attendance Lead and Head Teacher. Recurring problems will be discussed during case-sharing meetings and may lead to letters to parents and parents being invited into school.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals.
- School will commence absence queries by telephone at 9.15am or as soon as possible
- The school may undertake a home visit to establish reasons for absence. This may occur on the first day of unreported absence if a pupil's attendance is a cause for concern or there are safeguarding concerns.
- Multiple visits may take place during extended absence.
- School may complete well-being checks for any pupils during a longer period of absence even if there are no any safeguarding concerns. This may support the child's continued education or their transition back into school, as appropriate.
- If we are unable to make contact via a home visit, the School Office may make calls to other contacts listed to try to establish a reason for absence and to offer support. If the school cannot reach any of the pupil's emergency contacts, the school may contact social services/police. The school may also contact the Education Welfare Officer at the local authority to discuss the appropriateness of penalty notices or legal intervention

NOTE: Parents who routinely fail to contact the school may have all absences unauthorised and referral to the Education Welfare Service may be made.

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.8 above) about their child's attendance and absence through school reports. **The school will also write to parents if their child's attendance drops below 93%.**

5. Authorised and Unauthorised Absence

5.1 Approval for term-time absence

The headteacher/head of school will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher/head of school will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview

- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances
- Illness
- Religious Observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil’s parent(s) belong(s). If necessary, the school will seek advice from the parents’ religious body to confirm whether the day is set apart.
- Parent(s) travelling for occupational purposes - this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision.
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made).

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

A leave of absence is granted at the headteacher’s / head of school’s discretion, including the length of the time the pupil is authorised to be absent.

Exceptional circumstances will be determined by the headteacher once all information has been gathered. A member of the SLT will meet with all parents to discuss any Leave of Absence requests to ensure the Headteacher has all relevant information before making the decision to approve or decline the request for absence.

Please note that whilst we appreciate that it is more expensive to go on holiday during the school holidays, it is the DfE view that a holiday taken in term time in whatever form is not considered to be an ‘exceptional’ circumstance.

Absence from school under exceptional circumstances is slightly different from taking a holiday in term time. In deciding whether or not to grant a leave of absence for ‘exceptional circumstances,’ the following is considered:

- What is the normal pattern of attendance for the child(ren) whose parent is asking for a leave of absence?
- What is ‘exceptional’ for one family might be the norm for another family

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 6 weeks before the absence. The headteacher/head of school may require evidence to support any request for leave of absence.

5.2 Sanctions

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days. If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with

- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Importance of Attendance

School education lays the vital foundations of a child's life. Research clearly demonstrates the link between regular attendance and educational progress and attainment. As a Trust we promote attendance through incentives such as certificates, badges, awards in assemblies and additional recreation time. These rewards are chosen through pupil voice.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance, mental or physical health or SEND

The school recognises that some pupils may face complex barriers to regular attendance, including mental or physical health challenges and Special Educational Needs and Disabilities (SEND). In such cases, a personalised and multi-agency approach will be adopted to ensure appropriate support is in place. The school will work collaboratively with external professionals, including health and SEND services, to develop and review individual support plans. This will also capture the voice of parents/carers and the child. Staff will be trained to identify and respond to children's needs with sensitivity, ensuring that pupils feel safe, supported, and valued. Our aim is to remove barriers to attendance and promote inclusive access to education for all.

7.2 Pupils returning to school after a lengthy or unavoidable period of absence

When a pupil returns to school following a lengthy or unavoidable period of absence, the school will ensure a carefully managed and supportive reintegration process. This will be tailored to the individual's needs and may include a phased return, personalised learning plans, and access to pastoral or SEND support where appropriate. Staff will work closely with the pupil, their family, and relevant external agencies to identify any ongoing barriers and provide targeted interventions to promote wellbeing and academic progress. The school will prioritise rebuilding routines, relationships, and confidence, ensuring the pupil feels welcomed, valued, and able to re-engage fully with school life.

Personalised Learning Timetable (Part-Time Timetable)

All pupils of compulsory school age are entitled to a full-time education. In very exceptional circumstances, where it is in a pupil's best interests, there may be a need for a temporary part-time timetable to meet their individual needs. For example, where a medical condition prevents a pupil from attending full-time education and a part-time timetable is considered as part of a re-integration package. A part-time timetable should not be used to manage a pupil's behaviour. Where a child is considered to need a shorter day for a brief period of time, and a modified timetable can be considered, the authorisation of the personalized learning timetable lies with the Headteacher.

- All personalised learning plans are at the agreement of the parent and their consent can be withdrawn at any time.
- Once agreed verbally, School must inform the Inclusion Team at the local authority.

- A part-time timetable is not a long-term solution but rather a short term 'relief' to find a better solution to the situations presented. Once begun, they should be reviewed with parents weekly by telephone and/or in person with paperwork signed to acknowledge the agreement.
- Family Liaison Team will complete home visits to assure an assigned work is completed whilst at home
- Risk Assessment must be completed by school and uploaded to CPOMs
- If a child is present for part of the session agreed, they will be marked as '/ - present' however, where the part-time timetable makes the child absent for a whole session, they will be marked as per the attendance codes.
- At the end of the personalised learning timetable agreement, return to school reintegration paperwork to be completed by the Family Liaison Team and stored on file and CPOMs. Trust staff listed above to be advised.

8. Attendance Monitoring

8.1 Monitoring Attendance

SHINE Academies and schools will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Pupil information will be shared with the DfE as the school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

Schools will benchmark its attendance data at year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the Local Governing Board and Trust Board.

8.2 Analysing Attendance

The School will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- Identify attendance patterns across the trust to identify common issues and barriers and share effective practice between schools

8.3 Using data to improve attendance

The Trust will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers to facilitate discussions with pupils and families, and to the central team/trustees/governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the trust's strategy for improving attendance.

The School will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)
- Notify parents if their child's attendance is a cause for concern.

8.5 Pupils with Attendance which causes concern

School will communicate regularly with parents around their child's attendance figures. In line with our school attendance support process, we will meet with parents where there may be attendance concerns in an aim to understand patterns of attendance, offer support where appropriate and reduce the risk of the child becoming 'persistently absent'.

Our attendance support process includes:

- When a child's attendance falls below 97% (6 missed days during the academic year) parents of pupils will receive a letter advising of their child's current attendance and offering support if required.
- Where a child's attendance falls below 95% (9 missed days during the academic year) school will invite parents in to meet to explore any patterns of absence and any support that can be offered through school or external agencies. Absences will continue to be monitored.

- If a child's attendance continues to fall below 93% (12 missed days during the academic year) their attendance is identified as a concern. An attendance support plan may be offered to identify the most appropriate intervention pathway. As part of attendance monitoring, all further medical absences may require medical evidence to be authorised.
- Attendance will continue to be monitored over an agreed period of time formally. Where continuous unauthorised absences occur, attendance will be shared with the Education Welfare Officer for additional support and intervention.

8.6 Children Missing in Education

Children are considered to be 'Children Missing in Education' (CME) as listed in Working Together to Improve School Attendance in the following circumstances

Where a pupil has been continuously absent from the school for a period of **10** school days or more and:

- at no point has the absence been authorised by the school (under regulation 6(2))
- the school does not have reasonable grounds to believe that the pupil is unable to attend because of sickness or an unavoidable cause.
- the school and the local authority have jointly made reasonable efforts to find out the pupil's location, but they have not succeeded.

Where a pupil has been granted a leave of absence (under regulation 7) and the pupil has not attended school within the ten school days immediately after the end of the period granted, and:

- the school does not have reasonable grounds to believe that the pupil is unable to attend because of sickness or an unavoidable cause
- the school and the local authority have jointly made reasonable efforts to find out the pupil's location, but they have not succeeded.

Where a pupil has ceased to attend the school and no longer normally lives a reasonable distance from the school, and the pupil is not a boarder at the school and where parents are withdrawing their child but are unable to say how their child will continue with their education, for example, the family are relocating but have not been able to secure a place at a new school in advance, once the pupil has completed their final day at school and moved out of the area, the school must delete the pupil's name from the admission register and the pupil's information should then be transferred to the Lost Pupil Database via the S2S system. Advice is always taken from the EWO for these circumstances.

DfE's guidance on Children Missing Education sets out the expectations for schools and local authorities in respect of making reasonable enquiries.

Schools will use the Child Missing Education Enquiry Form to support this, and it should be sent to Education Welfare Officer following Local Authority guidance.
