

SUPPORTING LEARNING AT HOME

Term: *Autumn 2019* **Date:** *18/11/19*

Class: **Hawks**

We will no longer send home weekly homework, however we still ask you to support your child's learning at home by:

- Reading every day
- Practicing multiplication tables/Number bonds
- Children will also still have access to Education City if they wish to use this at home and teachers will ensure that modules are pupil appropriate.

Here is an overview of what your child's class will be studying for the rest of this term (this will also go on our school website). This will allow you to support them through research and discussion at home.

Maths	<p>The topics and objectives covered this term will be:</p> <p>Fractions:</p> <ul style="list-style-type: none">• To find the effect of dividing by a one or two digit number by 10 and 100.• To Count up and down in hundredths; recognise that hundredths arise when dividing an object by 100 and dividing tenths by 10.• To recognise and show, using diagrams, families of common equivalent fractions.• To add and subtract fractions with the same denominator. <p>Measures:</p> <ul style="list-style-type: none">• To measure and calculate the perimeter of a rectilinear shape in centimetres and metres.• To find the area of rectilinear shapes by counting squares. <p>Calculations:</p> <ul style="list-style-type: none">• To estimate, compare and calculate different measures, including money in pounds and pence.
