

Pupil Premium 2021/22

The following shows how we have used our Pupil Premium Grant to support pupils across the school during the Year. In the Academic year 2021 to 2022, the support for Pupil Premium children continued to focus on COVID recovery through nurture and mental health. Alongside this additional support for the delivery of Core subjects has impacted positively on pupil progress across the school.

2021/22 Income	£103,530
-----------------------	-----------------
