## Let Us Begin Anew

Summer is a wonderful season. It has never been as welcomed as now. After so many months of not being with family and friends, we are ready to begin anew.

We often exclaim the holidays are either too early or too late. This year, Rosh Hashanah begins at sunset on September 6<sup>th</sup> and Yom Kippur on September 15<sup>th</sup>.

Our Temple has truly "gone the extra mile" over these many months offering programs for children, adolescents and adults. We have taken exceptional measures to increase our connection with congregants and our community.

We now turn to you and ask that you support our Temple to the best of your ability during our Kol Nidre appeal so we can continue to offer vital, exciting and meaningful programs. We have been and will remain here for you and your family, through difficult times, as well as joyous celebrations.

Every donation makes a difference! Thank you for supporting our beautiful Temple.

**Please look for our Kol Nidre appeal information that will be sent to you shortly.**

***President's Message:*****Let Yourself Go**

I hope this summer has been a relaxing and fun-filled one for all of you, just like the summers we had (or at least tried to have) prior to 2020, replete with gatherings of families and friends, music, sports and everything else we used to do in person without thinking twice. Speaking of music, I once again thank the Cantor and the Concert Committee, chaired by Laurel Fried, for the amazing "Happy Together" Concert back on June 13. We sat and we sang and danced in the Temple parking lot and relaxed to the music of the 60s, 70s and 80s. For two wonderful hours, we did not have a care in the world.

This summer has also seen a relaxation of many of our COVID restrictions. As of the time this article is being written, if you are vaccinated, you need not wear a mask anywhere inside the building. Conversely, if you have not been vaccinated, you must wear a mask inside the building at all times. Please stay tuned to your e-mail blasts from the Temple for further updates.

The High Holy Days are right around the corner. With the ability to bond with one another in person far more than we could last year, Clergy and the Ritual Committee will surely make these holidays as memorable as can be. Our theme this year is "Going the Extra Mile". We went the extra mile to best serve our congregants and kept you connected to the Temple last year. The pandemic may have eased but we will not let up in those efforts this year.

As the old song goes, "See you in September", not just for the High Holy Days but for the return of Shabbat Under the Stars on September 24. Again, please check your e-mail blasts from the Temple, as well as the September Shofar for more information.

Enjoy the rest of the summer.

***Rabbi's Corner:***

I have spent the early part of the summer preparing for the High Holidays. Cantor Katz and I reviewed the liturgy, I am preparing sermons and Divrei Torah and eagerly anticipate greeting many of you in person at our services this year. By the time you read this, I will be taking a few weeks of vacation to recharge after what for all of us has been a challenging year. I look forward to visiting family in North Carolina during this time away. As I return, the Temple calendar will be in full swing with a Bat Mitzvah service on Saturday morning August 28<sup>th</sup> and Selichot that evening.

I often correct people who say that the holidays are early or late, since they always fall on Tishrei 1. However, this year Tishrei 1 falls right after Labor Day, seemingly very early on the secular calendar. Let us take the summer to do Cheshbon HaNefesh, an accounting of our souls, and be prepared to start afresh as summer closes and the year unfolds. I pray that this is a year of opportunity and growth for each of us personally and for us as a congregation. We have much potential to uncover as we return this fall to build on the strength we found to carry on during the pandemic.

Mike, Micah, Leora and I wish all of you a Shana Tova U'Metuka, a good, sweet, happy and healthy New Year 5782.

***Rabbi Judy***

***Cantor's Message:***

Shalom to you and your families. I hope you are all having a wonderful Summer. As I sit and think about the content of this month's Shofar article, I find myself getting very excited and full of energy for the next year at Temple. The reason for this is because we have made it through what was undoubtedly the most challenging and difficult year of all of our lives, as well as Temple life.

The key is that WE MADE IT!! We came together as a community and made it through, getting closer and bonding even more than before. I want to thank every single member of our congregation, as well as our incredible leadership for making this happen. We could not have done it alone and we all have been here for each other. That is the epitome of what our Temple is all about.

This year we will continue to have all of our amazing programming and as usual, even more! From special services, to adult education, meditation classes, NOW events and Men's Club events, we have it all. There is something for everyone at our Temple regardless of age. In addition, in August of next year, Deborah and I will be leading a trip to Israel for young families. This is going to be an amazing adventure, as well as a ton of fun. You may also think about having your child's Bar or Bat Mitzvah on this trip. If you have any questions please reach out to Deborah as she will be the main contact for this once-in-a-lifetime experience. As for our Bar and Bat Mitzvah students, I will be back to in-person lessons right after the holidays. I am really looking forward to bonding and learning face-to-face again as I am hoping for our students as well.

If you missed the annual concert this year, you missed a doozy! We had such a great time rocking out and singing together. I say "together" because we were able to have our concert outside under the stars, not wearing masks, really singing and having a great time. The concert is on the website if you want to check that out.

The holidays are right around the corner, so it is time to also begin to think about what that means. Whatever it means to you, this month, prior to the High Holy Days, is used for reflection and preparation for those Holy Days. It's important to get ourselves into gear and remind ourselves what is coming up regarding the meaning and intention of the High Holy Days. Hopefully, we will be able to have even more in person participating this year and I look forward to a full sanctuary.

I hope all of you have had a Summer that has been safe and fulfilling, as well as relaxing and fun. We could all surely use it!

I look forward to seeing you very soon.

B'shalom,

***Cantor Katz***

**Men's Club**

As the new Co-President of the Men's Club, I would like to introduce myself. My name is Mark Starr and I am happy, along with my Co-President Mark Heller, to be part of such a great group of guys organized to take part in fundraising activities, assist our Temple in its endeavors and to just have fun.

Our calendar for the upcoming year is chock full of great events and in September, we kick off autumn with the raising of the Temple's Sukkah on September 19<sup>th</sup>. I have been involved with the building of the Sukkah in previous years and it's always been an enjoyable time to get together, grab a bagel with cream cheese and help construct the Sukkah on our Temple's grounds.

We look forward to seeing you there and at the many events we have planned for the upcoming year.

Enjoy the summer and stay safe as we begin to return to "normal" life, finally traveling again and seeing the friends and family we have not seen in many months.

Here's to wishing you the best of health and happiness in the new year.

***THE NATURE OF FRAGILE THINGS***  
by Susan Meissner

April 18, 1906: A massive earthquake rocks San Francisco just before daybreak, igniting a devouring inferno. Lives are lost, lives are shattered, but some rise from the ashes forever changed.

Sophie Whalen is a young Irish immigrant so desperate to get out of a New York tenement that she answers a mail-order bride ad and agrees to marry a man she knows nothing about. San Francisco widower Martin Hocking proves to be as aloof as he is mesmerizingly handsome. Sophie quickly develops deep affection for Kat, Martin's silent five-year-old daughter, but Martin's odd behavior leaves her with the uneasy feeling that something about her newfound situation isn't right.

Then one early-spring evening, a stranger at the door sets in motion a transforming chain of events. Sophie discovers hidden ties to two other women. The first, pretty and pregnant, is standing on her doorstep. The second is hundreds of miles away in the American Southwest, grieving the loss of everything she once loved.

The fates of these three women intertwine on the eve of the devastating earthquake, thrusting them onto a perilous journey that will test their resiliency and resolve and, ultimately, their belief that love can overcome fear.
