**50/50 DRAW:**  
a series of 10 drawings

Raffle tickets promise good fortune through chance.

"50/50 DRAW" began with a single 50/50 ticket.

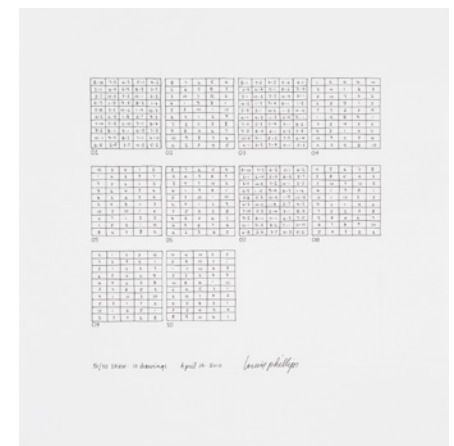

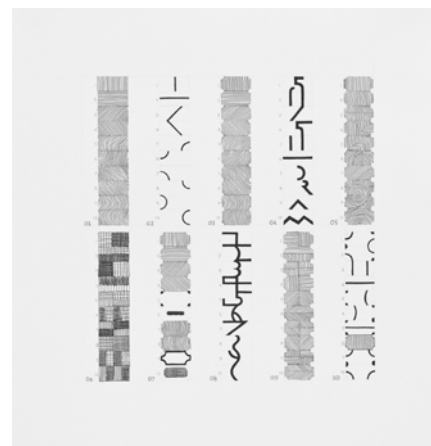

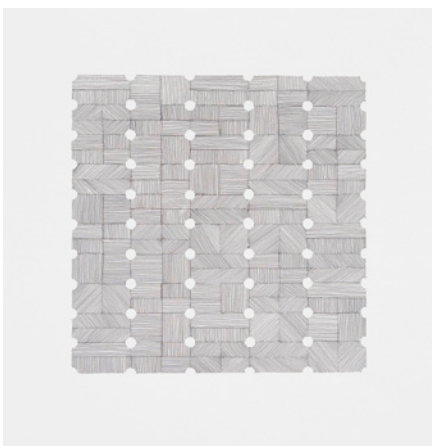

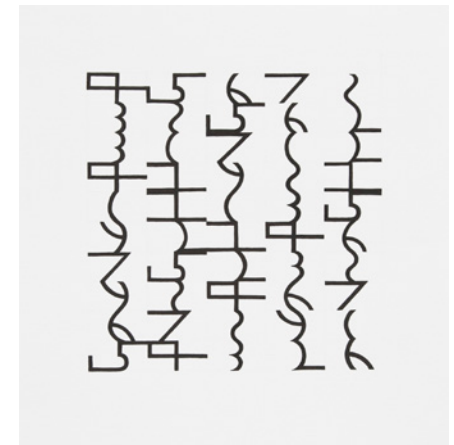

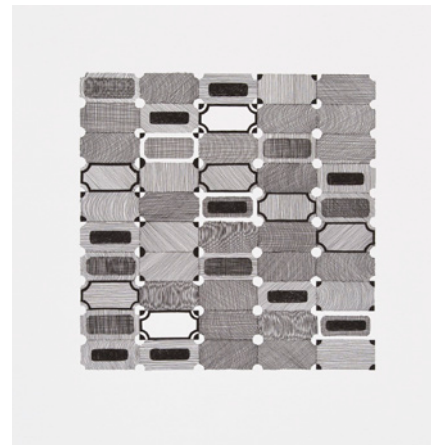

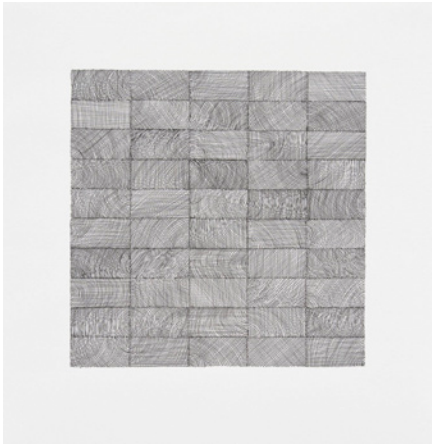

The shape, size, text, number, border, and background pattern of the ticket became both motifs and constraints for a series of disciplined grid drawings. The arrangement of the abstracted elements is based on chance.

50/50 DRAW

10 drawings with 2 keys,  
12 framed pieces in total
