1949-1964
1964?-85?

This one and its '52 sibling were built by the firemen themselves with the help of the local Studebaker dealership. The dealership owners were founding members of the fire company. Not sure where the components were acquired from, but I'd guess local - Michael Cattey

1964-1979
1979-1992?

Refurbed by Litchfield after accident. Thomaston got rid of it early 90's. Got Northfield's Mack C. - Michael Cattey Left in '91 to a Spaanfaa member in VA and was 100% rust free and never refurbed. Also had its original Waukesha.
