Two trucks were damaged in '55 flood. I think this was one of them. Not manned in 1958. Signed contract in Feb; del in Fall.

delivery delayed to 7-1957. Ordered to replace one of two truck damaged in '55 flood.  
 ARN 11-1986 says this was replaced by the KME this year, but this is not on ARN 8-1978 list - no Eng 5 at all.

I believe this replaced the '54 Seagrave, which was damaged in the '55 flood. A spare in 1968.
