	<p>Maxim Motor Co. International K Series pumper, rescue</p>
<p>500 gpm 300 gal tank</p>	
<p>serial no</p>	
<p>This style, K line, was built between 1940-1947. Converted to ambulance/rescue in either 1950 or 1952 by Allingtown. Maxim list has date of 3-20-1950. But this truck is early than a 1950. Maxim may have just done the conversion. - RP</p>
