Testimonials From Our Partners

“The Winston Collection has been a staple in our golf shop for years. The products are well made and extremely customizable, but it is their customer service that sets them apart. They always deliver and are extraordinarily easy to work with. Quick special orders. Great for events. They are a true partner to Crystal Downs Country Club. I strongly recommend them for any golf shop.”

Matt Smith – Crystal Downs Country Club

“Winston is our go to company for so many needs. They continue to increase their selection of high quality products each year and always deliver when needed. I would highly recommend Winston to any club looking to build a quality vendor partnership.”

Matt Cahill – Seminole Golf Club

“Amazing customer service, fast, on time, great selection of products, constantly bringing something new to the table and just a great team to work with. What more can you possibly want from one of your partners?! That is what you get with the Winston Collection Team.”

Scott Kirkwood – Monterey Peninsula Country Club

“I have been doing business with Drew and Andy for eight years now. As a customer, I can say there is no vendor in the industry that has your back more than Winston. They understand more than most how important it is to follow through. They set the bar in customer service to the golf professional, which directly reflects how I am able to provide great service to my members. This is a rare quality but is a must for any partnership to have long term success.”

Drew Jordan – Hamilton Farm Golf Club

“It would take quite a while to run through all the things I am grateful for from Winston's team. All the rushed favors aside, which are astronomical in amazingness, I am continually impressed by the speed of email replies, willingness to do whatever design we come up with, and their ability to keep up with the increased amount of business the quality of service and products has attracted. Having a small sense for how challenging their business can be based on how difficult it is for their competitors to keep up, I do my best not to take it for granted that there is continual and relentless human effort behind all of the orders we send their way. It is exhausting for me to picture doing their jobs for one day. All that to say, we at Miramont are very grateful and hope to continue the prosperous partnership for many years to come.”

Rob Yee - Miramont Country Club

“Winston has been a lifesaver for us. This year, we needed a last minute tee gift for our Member-Member event (up until two weeks prior we didn't know if we could host the event per state COVID regulations) and they came through in amazing fashion delivering 150 logoed headcovers the day before the event. They never had an issue with meeting our tight deadline and made us all look like heroes!”

Shaun McElroy – North Shore Country Club

“The Winston Collection is our go to for quality Headcovers with the fastest turnaround time in the business! They are always on the cutting edge of trends with use of materials and creative embroidery. The detail in their embroidery work is second to none. The customization is top notch and they never shy away from trying new things creatively! As far as I'm concerned they are the #1 company in the game. You won't be disappointed!”

Jessica Cavolina – Maidstone

“Drew, Andy, and the team at Winston Collection are a large part of our success and growth at the Kingsley Club over the years. Their golf accessories have a consistent presence in our golf shop because of their ability to sell through and generate special order business. I believe this is made possible because of their attention to detail, creativity, and accountability. Most of all, they are good people who understand the golf professional and do a great job at creating and cultivating a personal and professional relationship.”

Jim Raymond – Kingsley Club

“I have worked with the team at Winston Collection for 8 years and each year they continue to improve their customer service and unique product offerings. The quality of products they produce is unmatched and they are the first place I go for tournament orders.”

Tristen Fay – Fort Collins Country Club

“The Winston Collection lead by Andy and Andrew is one of the best in golf. Winston Collection provides the golf professional with excellent customer service, top of the line product, and excellent turnaround times. Since 2013, Prairie Dunes has built a strong relationship that has led to tremendous success for both parties. My first and only call for headcovers and leather accessories is to team Winston.”

Billy Bolin – Prairie Dunes Country Club

“As a relatively new Winston customer, it’s impossible to be more impressed with Winston from a product and customer service standpoint. Winston really is the perfect partner for us at Desert Mountain as we like to be creative with our logos, and offer our members a wide variety of custom options. We continue to grow our business with Winston every year, and already have what seems like an unlimited amount of future ideas and projects on the horizon that we are excited to introduce to our members and guests through our great partnership with Winston.”

Bobby Berry – Desert Mountain Club

“Andy Renshaw and Winston have been a wonderful partner to Stonewall in my tenure. Their service is extremely timely and their new and fresh ideas are second to none. They are a leader in the industry. What I love most is when I call Winston, Andy picks up the phone. He lives and breathes his business.”

Ryan Lagergren – Stonewall

“As General Manager at Council Fire I love the relationship we have with Winston Collection. Every time we call on them, they hit home runs with their service and products. Thank you Winston Collection for your continued efforts to make the Council Fire Club members look good on the golf course.”

Chris Debusk – Council Fire Club

“Winston – thank you for a product that remains modern but classy, both in appearance and quality. We love selling your headcovers to our members. They also are nice additions around the shop and bring our displays to life! Thank you for being a partner with GBN as well.”

Sara Dickson – Wilderness Country Club
