

To all Parents of VHS Bands,

This memo is to provide information regarding fees for their participation in the band program at VHS. These fees are APS fees that are necessary for this program to operate. Below is a price break down showing the amount due for your child's participation in any combination of bands.

2019-2020 Fees:

Fee will be added into Synergy for each Band the student participates in. These must be paid directly to APS via Synergy.

1st band is \$75, 2nd and 3rd will be \$50 each

Note: Any unpaid dues will prevent student from registering the next year and/or from graduating.

There will be a flat \$100 fee due to VALLEY HS BAND BOOSTERS as well. Please send in a Check, Money Order, or Cash and hand into the safe in Mr. Ellington's office. This fee helps with all expenses not covered through APS such as clinicians and guest artists who come to work with the students.

SO:

IF student is in only 1 band (Marching or Symphonic or Jazz) they will owe \$75 to Synergy and \$100 to Valley HS Band Boosters = \$175 Total.

IF student is in 2 bands (any combination of the 3 available bands) they will owe \$125 to Synergy and \$100 to Valley HS Band Boosters = \$225 Total

IF student is in all 3 bands (Marching/Jazz/Symphonic) they will owe \$175 to Synergy and \$100 to Valley HS Band Boosters = \$275 Total

ALL BAND STUDENTS ARE PART OF THE PEP BAND. All bands including guard benefits from the \$100 booster fee each student is to pay.

To help payments are accepted. A suggested schedule of payments for the \$100 booster fee is as follows:

1st \$25 due September 30

2nd \$25 due October 31

3rd \$25 due November 26 (No school 27-29 due to Thanksgiving Break)

4th \$25 due December 20 (No school 23-31 due to winter break)

You may also contact any member of the boosters to make a payment or have any questions.
