Deep in the heart of Underbelly Cowgate, Belly Button is a mid-scale black box, end-on space with a flat stage and fully raked seating. The stage provides some off-stage space for entrances and quick-changing. Excellent for comedy, theatre, physical comedy, and musicals.

Stage and Seating	The stage is 3.6m deep, 5.5m wide, and 0.16m high. There will be some small off-stage space for prop storage or costume changes. The seating is end-on and fully raked. Please note this is not a step-free space, but please contact us to discuss accessing the space and we will assist you in any way we can.
Lighting	The rig height is 3m to underside, and there will be a six area lighting cover. The venue will provide: - front light: 12x ETC Coloursource profiles, creating a 6-area cover - back light: LED Martin Rush PAR 2s with a zoom function - spot CS: S4 profile - 2 x 6-way patch boxes in the rig, with 6 ways of dimming for company specials - lighting desk: Zero88 Jester 12/24 channel console - stage power: 13A / 16A sockets on stage with a total combined power capacity of 16A
Sound	A house system consisting of: - 2 x speakers - 1 x 8-channel analogue desk - 2 x DI box - 1 x 3.5mm jack connection for laptop playback - 2 x microphones, SM58 - 2 x microphone boom stands
Video	No video hardware is provided as standard, however in previous years companies have hired in a pull-down screen and short throw projector.
QLab	A mac mini with QLab 4 Basic is provided, for playback of music and simple video. If your sound or video requirements are more than basic you may need to purchase an upgraded license.

Set, Props, Costume Storage and Dressing Rooms	There is no room for set or props in the venue itself. There is a shared storage area on the same level to accommodate set, props, costumes, and other items. Dressing room space is directly adjacent to the venue.
