

GOOD FOOD BOX MEMO

The Good Food Box is an initiative operated by the Community Kitchen Program of Calgary, enabling individuals to purchase boxes of seasonal fresh fruits and vegetables at prices considerably lower than those typically found in grocery stores. Recently, New Age Services attained Depot Status for this program. In response to rising food costs, New Age Services is pleased to offer convenient access to the Good Food Box Program **via our website**. The preferred method of payment for the Good Food Box is by credit card or PayPal, however e-transfer will be an option. Upon purchase, orders may be collected at the New Age Services Main Office on the specified delivery date.

There are three sizes of produce boxes available to purchase:

Small Box: 15+ lbs. of fruit and vegetables - **\$31.50** includes a 5% service fee.

Medium Box: 25+ lbs. of fruit and vegetables - **\$36.75** includes a 5% service fee.

Large Box: 35+ lbs. of fruit and vegetables - **\$42.00** includes a 5% service fee.

The order form requires statistical information. Please ensure you include the makeup in your household. For example, if you are a family, check the family box and specify the number of adults and children (e.g., 1 family, 2 adults, and 3 children). Only one consolidated order form, containing all orders, is submitted to the Good Food Box Program. This means they do not receive any names or confidential information from your individual order form.

A form will pop up as soon as you enter the link, this form is mandatory and needs to be completed prior to placing an order. DO NOT CLICK ANYWHERE ON THE PAGE before completing this form. The link below will also be available on the SharePoint main page and Share Vision.
