Honorable Rogers Anderson, Mayor  
and Honorable Board of Commissioners  
Williamson County  
1320 W. Main Suite 125  
Franklin, TN 37064

Dear Mayor Anderson and Members of the Board:

Thank you for your recent correspondence. We acknowledge receipt on July 30, 2021, of a request from Williamson County (the "County") for approval to issue tax and revenue anticipation notes (TRANS) for fiscal year 2022 as an external borrowing in the amount of \$14,000,000. Please provide a copy of this letter to all the members of the governing body and present it at the next meeting of the board.

The request included a copy of Resolution # 7-21-6 adopted on July 12, 2021, authorizing the issuance of the TRANS. The County provided a cash flow forecast which supports the need to issue TRANS for the General Purpose School Fund. The executed note form for the TRAN should be submitted when you file the required debt report: [tncot.cc/debt-report](http://tncot.cc/debt-report).

**Limitations**

Local governments in Tennessee are authorized to issue TRANS pursuant to Tenn. Code Ann. Title 9, Chapter 21 for the purpose of meeting appropriations made for the current fiscal year in anticipation of the collection of taxes and revenues of that fiscal year, subject to the prior approval of the Comptroller of the Treasury.

- The authorized amount of TRANs must not exceed 60% of the annual appropriation for the fund receiving proceeds from the loan and future revenues projected must be sufficient to provide for the payment of the TRANs by June 30, 2022. We have determined that your request is within the percentage limitation described above. Additionally, the cash flow forecast for the General Purpose School Fund supports the County's ability to repay the TRANs by June 30, 2022.

### **Approval**

This letter constitutes approval pursuant to Tenn. Code Ann. § 9-21-801 for the County to issue TRANs in the total amount of \$14,000,000.

Dear Mayor Anderson and Members of the Board:

This letter acknowledges receipt of a certified copy of the fiscal year 2022 budget.

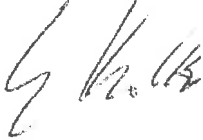

We have reviewed the budget and have determined that projected revenues and other available funds are sufficient to meet anticipated expenditures. Our review of the budget is based solely on the information we have received.
