

We are pleased to inform you for the 2024 camping season all SECV residential internet, cable TV, and phone service will be available at each campsite.

If you are interested in this service, you can contact their Customer Service Representative at 1-800-522-2389 or via chat at secv.com to discuss the services available. An individual campsite customer account will be created for equipment servicing and monthly billing. (Enclosed is the 2024 rate card for service options and pricing)

ITEMS OF IMPORTANCE:

The enclosed Liability Insurance lease must be signed and returned before pool tickets will be issued.

Be sure you have read the lease in its entirety because any non-compliance is grounds for eviction

All sewage levers under slide outs must have an extension added.

Any additional sewage dumps will be charged \$20.00. Place a can of WD40 next to your levers.

Anyone camping in the SFHA or Floodway that needs us to take their campers for inspection, forward your owners card and \$60.00 ASAP.
