

## ITEMS OF IMPORTANCE:

The enclosed Liability Insurance lease must be signed and returned before pool tickets will be issued.

**Be sure you have read the lease in its entirety because any non-compliance is grounds for eviction**

All sewage levers under slide outs must have an extension added.

Any additional sewage dumps will be charged \$20.00. Place a can of WD40 next to your levers.

Anyone camping in the SFHA or Floodway that needs us to take their campers for inspection, forward us your owner's card and \$60.00 ASAP.

## CURRENT PROJECTS:

- Work order with PPL to upgrade the power at the back end of the lake (East side 16-40, South End and Canal View)  
Plan is to upgrade the transformer and run a parallel line to help relieve the voltage load
- Install an inlet box around the area of ES30 to deal with the issue of the water puddling in that area
- Added cameras for security reasons
