

The John H. Primrose IAAI Foundation Scholarship Program

The IAAI Foundation, in conjunction with the Primrose Family, will award a single \$1,000 training scholarship to the annual IAAI ITC. The scholarship program is not designed to cover all of the costs of ITC attendance, but rather to offset specific costs which would afford applicants a greater opportunity to attend the ITC. Successful applicants receive a \$1,000 scholarship to assist with their registration and lodging costs to attend the ITC.

The guidelines of this Legacy Scholarship Program have been set forth by the Primrose Family and managed by the Board of the IAAI Foundation. Guidelines for this scholarship require priority be given to members of Public Agencies and special consideration given to Nebraska and Minnesota IAAI State Chapters members. All applicants must be a current IAAI member or current IAAI Chapter member both at the time of application and at the time of the training event. Applicants must submit an application form prescribed by the IAAI Foundation, along with a short narrative on why they are applying for the scholarship and how the scholarship would benefit them.

Applications for The John H Primrose Scholarship to attend the IAAI ITC must be received by December 1st of the year preceding attendance (e.g., apply for the 2026 ITC by December 1, 2025).

All applications will expire upon awarding of the scholarship.

Address all questions to IAAIF.President@firearson.com or by phone 404-606-6900.
