

Rethink Card Processing

Save Money with Dual Pricing

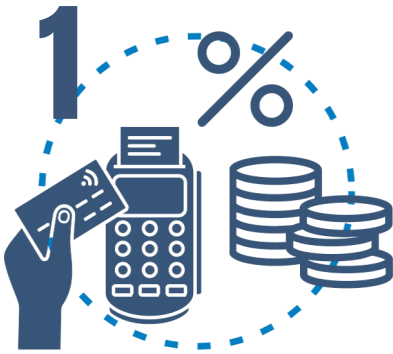

GREAT LAKES
DENTAL SUPPLY

SWIPE
PAYMENT SOLUTIONS

In partnership with

Great Lakes Dental Supply and Swipe Payment Solutions Dual Pricing Program allows practices to process all of their transactions for one low monthly fee of \$5. These fees add up greatly over time, providing practices with savings they can apply where they need it most!

The sale amount is entered and the terminal automatically applies the small service fee for using a card.

The receipt clearly displays the card price to your customer.

The full sales amount goes directly to the merchant and SWIPE uses the service fee collected to cover interchange, authorization, and transaction costs.

The examples below represent the savings that each practice has realized by implementing our Zero Cost Processing Program.

Monthly Volume	Traditional Processing Fees	Fixed Monthly Fee	Monthly Savings	Annual Savings
\$ 75,000	\$ 1,313	\$ 5	\$ 1,308	\$ 15,690
\$ 150,000	\$ 2,625	\$ 5	\$ 2,620	\$ 31,440
\$ 200,000	\$ 3,500	\$ 5	\$ 3,495	\$ 41,940
\$ 300,000	\$ 5,250	\$ 5	\$ 5,245	\$ 62,940

Please contact Robby Bryant if you would like to learn more about this program and receive a complementary savings analysis for your dental practice.
