This is Harry... Say HI Harry....

Harry just started his own business.

He's really good at what he does. What he's not good at is marketing, graphic design and the Internet.

And he shouldn't have to be.

When you're a business owner you need to focus on running your business.

If you're a BIG business you have a marketing department, a graphics department and a web department.

Harry's not a big business. Harry is a small business with a small budget he can't afford to hire that many in-house employees.

When he started he didn't even have a logo, let alone a website or a marketing plan. He needed help. Help he could afford.

That's why Harry works with The Business Cherub.

The Business Cherub understands the needs of the small to midsize business owners and they can help meet those needs with expertise in:

- Web design and development
- Search Engine Optimization (S.E.O)
- Search Engine Marketing (S.E.M)
- Sales and Marketing
- Logo Design and Business Cards
- Accounting Software
- Database Development and Analysis
- Streamline and automate your processes to save time and money

The Business Cherub gives you all the power of the big business without having to spend all the money.

Get the exposure your business needs to grow along with the best processes to run your day to day.

Visit us today at www.businesscherub.com to see a full list of our services and to request a free, no obligation quote.

Meet Steve, Steve has had a couple of rough years and has had to consider filing for bankruptcy. It really doesn't seem like much of an option though. He'll ruin his credit, get his property repossessed, and leave a black mark on his record, right?

Actually ... No. Steve contacted the Law Office of Erin Bradley McAleer who has helped thousands of clients just like Steve file for bankruptcy protection and wiping out their unsecured debt, like credit cards, medical bills and personal loans. Giving them a fresh start.

Here's how it worked for Steve. In just a few simple steps.

First Steve received a free consultation where he discussed his case with an attorney who then prepared and filed his bankruptcy case with the court.

Steve made a single court appearance which only lasted a few minutes.

Finally Steve received a discharge notification, meaning his case was complete and his debt was wiped out.

He gets to keep his property, his credit score goes up in the absence of his old debt, and he's able to obtain credit post-bankruptcy.

Best of all the Law Office of Erin Bradley McAleer is a completely transparent firm offering its clients a low single flat fee. NO hidden fees. And an affordable payment plan to suit most any budget.

Begin the process of wiping out your debt today and get the fresh start you deserve. Your financial freedom is just around the corner. What are you waiting for? Give us a call to schedule your absolutely free bankruptcy consultation. Come see the reason why we're better than our competitors.
