

## **Supporter Stories**

### **Great British Food Festival - Raised £95.79**

We want to say a huge thank you to the team at the Great British Food Festival for choosing us as one of their charities that they wanted to support at their event at Wentworth Woodhouse which took place on the weekend of 20th and 21st August 2022. People taking part in their challenges were asked to make a donation into our charity buckets which were situated on the challenge stage. Check out their website for more information - [Great British Food Festival | Fun, foodie, family days out](#)
