

CARL DUFF MINISTRIES

Dear Supporter,

My family and I hope and pray you are doing well. We are excited to announce we started services in our building on the food side August 18 at 11AM and switched to Wednesdays at 7PM. While we don't have the sanctuary ready yet, we are thankful to be able to have services in our building while working on it! God is doing great things.

With that being said, we are still remodeling the building and with that comes more need. Any donations would be appreciated. Below are some pictures of what we've done in the soon to be sanctuary, and the set up we have for church.

OUR MISSION

My heart's desire is to see America on fire for God. I want to see people's lives changed because of the gospel of Jesus Christ. Many people travel far and wide as missionaries to bring Jesus to a broken land, in a broken system. I feel God has called me to go to the streets of America and seek and find the lost, hurting, and hopeless families and show them the hope of Jesus.

Why the name, "House of Hope"?

We desire to give the hope we find in Jesus Christ to a lost and dying world. So many people are battling so much in their lives with no hope and we want to show them the eternal life within Jesus. There's a hope found in Jesus that isn't swayed by this world!

House of Hope Bible College

Starting August 26th at 6:30 p.m., we will be having a 10-week bible course. Ed and Cheryl Maher will be teaching. Ed is a retired professor from a Christian university, and has given his time to come teach. We are very excited to have him and his wife come out to us. This will be on the food side where our temporary sanctuary is pictured above.

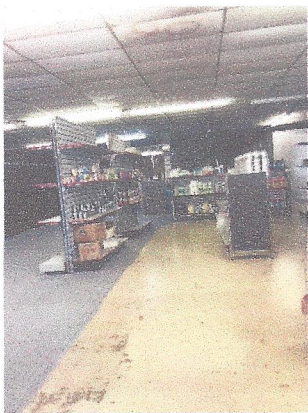

House of Hope Food Ministry

The food Ministry is going very strong and we are growing at a fast rate! We believe in bringing the gospel to people, even if it means we feed them first!

Jesus spoke in Matthew 25:40, "'Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me.'"

We currently have bought right at 150,000 lbs. of food since March. In the month of July alone, we fed 5,485 people. This takes a lot of volunteers as we are open 5 days a week! If you or someone you know would like to volunteer at the building, we welcome everyone! Also, anyone needing community service hours can come to House of Hope for their community service hours. Again, we are so thankful for all of our supporters and their donations to the ministry! It does not go unnoticed.

*Thank you for your continued prayer and support,
-Pastor Carl Duff*
