

# CARL DUFF MINISTRIES HOUSE OF HOPE

---

Hello Friends,

We hope this letter finds you well. We have been in a busy season and would like to update you on what is happening in the ministry. We finished the church completely in March right as President Trump announced the shutdown of the US. We have managed to keep our doors open since then and minister to those around us. We have kept our pantry doors open as well.

COVID-19 has brought its complications, but we have stayed healthy through it all and pray you have as well. We hope to continue our outreach and are already planning for our 2021 season. Below are some updated pictures of our church.

## BUILDING A COMMUNITY OF FAITH:

Our ministry seeks to bring together the community by giving hope. Hope turns into concrete faith, which then is unshakeable. Our brightest hope is in Jesus Christ.

We serve an amazing God who has supplied every need we have had and is faithful to every promise.

**Because we are coming into a cold season, if you or anyone you know would like to donate warm clothing, such as hats, gloves, coats, and scarves, we would appreciate this as we see a lot of homeless and needy families in our area.**

We have been blessed by the pantry's involvement with the community and want to inform you of how we are doing.

We believe that showing the love of Jesus in every way we can is important to reaching the lost. Without this part of our outreach, I believe we would not have the strong relationships with the community that we have today.

This time has been uncertain, but we are certain that God is doing something amazing in Sullivan, Missouri. We have seen many come to the Lord and come out of addiction. We have baptized many. We seek to do just as Jesus did in Luke 10:19. "For the Son of man is come to seek and to save that which was lost."

Again we want to thank you for your continued support and prayers to the ministry. Please continue to pray for us as we continue to go out into the streets of America.

God Bless,

*Carl Duff*
