Packages:

- Basic: \$100 to sing lead vocals & doubles for 30 seconds to a song you already have melody and lyrics for. Along with the lyrics, you'll need to give her a melody vibe that is either guided by basic one note grand piano (can be a vst) guide or someone's voice tuned with either the lyrics or melodic mumbles. You will get all the lead & double vocal takes to comp and do whatever you want with. Up to five days for delivery. If you want more than this, consider add ons or a different package.
- Standard: \$150 to create original melodies & lyrics for 30 seconds to a song you have unless requested otherwise. Up to six days for delivery. If you want more than this, consider add ons or a different package.
- Premium: \$450 to create original melodies & lyrics for 30 seconds to a song you have unless requested otherwise. This package includes a full mix and master explained in the FAQ section. Up to fourteen days for delivery.

Add Ons:
