

Dear Potential Sponsor,

The California Association of Child Life Professionals is seeking sponsors for the Annual California Child Life Professionals Conference to be held on October 25th through October 27th, 2019 at the Painted Turtle Camp, Lake Hughes, California. The California Association of Child Life Professionals seeks to provide a statewide forum to promote the Child Life profession and enhance competencies by providing educational and networking opportunities.

The CACLP consists of Child Life Professionals and students from various hospitals and community settings in California. Child Life Specialists are professionally trained individuals who specialize in the psychosocial care of the hospitalized child. Under the family centered care model, Child Life Specialists provide procedural preparation, support and advocacy. Through these interventions, Child Life Specialists seek to reduce the risk of psychological trauma resulting from hospitalization.

Invitations to this conference have been extended to various disciplines within hospital and community settings as well as students in the fields of Child Development, Early Childhood Education, Psychology, Human Development and Social Work.
