

Adventures in short-term rentals #15

You too can run a beer pong house!

In Arizona's Phoenix and Scottsdale, it's unregulated Airbnb and driveway beer pong.

Beer pong is like that old drinking game "Quarters," except rather than a coin, players throw a ping pong ball across a table. When the ball lands in one of the opposing team's cups filled with beer, someone has to drink it.

A home that used to belong to Phoenix Suns' coach Paul Westphal is now a short-term rental, advertised as sleeping 32. The new owner lives in Alaska and runs the place as a business.

Want to diversify your investments? After the house, a portable beer pong table (balls included) is on Amazon for just \$54.99.
