

Regret. Think they'll ever feel it?

It's hard to understand why the Barnstable Town Council is considering short-term rental policy that's okay with one-night stays (with Airbnb online strangers!), everywhere, all the time.

Even Airbnb has started flagging one-nighters for "suspicious activity" and out-of-control "party houses."

Imagine waking up next to one.

Who thinks we should welcome this in Barnstable? One-nighters, then the tourist drive-of-shame home? Really?

Get involved or get used to it.
