Dear University Club Members,

As I write this last Clarion article, I realize how much this organization and your friendships mean to me. I have been very honored to serve as the 2023-2024 President.

I hope you are enjoying the many interest groups we have to offer. I have tried to attend several of the new groups and have found the interaction between members so rewarding. We are learning from each other and sharing our many talents. For that I say thank you to all the Interest Group chairpersons.

The Newcomers' Division as well as Connections Interest Group and our Club Luncheons continue to provide very significant programs. A very special thank you to Linda Spangle & Sue Dane, Connections, Jan Frerichs & Nancy Dole, Newcomers, and Pat Skay & Pam Buehe, Luncheons for the persistent work they do as many of these programs are planned a year in advance.

Please mark your calendar for **Tuesday, March 12, 2024**. This is our annual meeting to elect the 2024-2025 officers. We will also be voting to approve the bylaw changes. Your support is greatly needed and appreciated. I would like to thank the Bylaws Committee chaired by Audrey Beatty and the Nominating Committee chaired by Kate Varcoe.

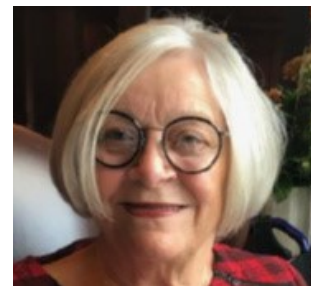

Our incoming President, Jan Tracy, will be seeking additional women to serve on the board of directors. Please reach out to her if you are interested in serving.

Our annual University Club Style Show will be held on **Monday, May 6, 2024** at the Hyatt Regency Coralville Hotel. This year's style show theme will be "Denim and Diamonds." Dust off your cowboy boots and hats, put on your favorite pair of jeans, add lots of bling and join us for another fun afternoon. Don't be surprised if you see John Wayne at University Club events, reminding you to make reservations for you, your family and your friends.

Someone who is impressed with University Club asked me why we don't form a chapter in Des Moines. That question certainly tells me why UC is such an incredible organization.

As I close, I again want to thank everyone for your support this year.

Marilee Fowler
2023-24 University Club President

Club Dues Information

Membership renewals for next year are not due until June 1. Dues are late if paid after Oct 1.

The club year goes from June 1 until May 31 the following year.

It's very easy to pay your dues online but **DON'T pay online before June 1.**

Bylaws Have Been Updated

Club bylaws have been updated and will be voted on during the business meeting at the March luncheon. There will be a printed copy of the proposed bylaws on each table. You can review the proposed changes marked up on the website.

The updated version can also be seen at this link: <https://uclubiowacity.org/our-by-laws>

Mailing checks for luncheons and day trips?

Postal mail service has been more unpredictable lately due to staff shortages and weather. If you're mailing a check, allow plenty of time. A week earlier than usual is not too extreme.

Two good options: 1) Bring your luncheon reservation for NEXT month to this month's luncheon. There's always a dropbox at the nametag table.

2) Pay online for luncheons at the Club website.
www.uclubiowacity.org/pay

Why Emailed Clarion is Better:

- All the images are color, not just front & back pages.
- Interest group details added to the email.
- Not subject to USPS delays.
- Extreme savings to the Club

Request email delivery: send an email to ClarionNewsletter@Gmail.com with your best email address and your name.

HOW TO JOIN AN INTEREST GROUP

The traditional way to join an interest group is to sign up at the Fall Fair in September. But if you want to join at another time of year, just contact one of the group chairs and let them know you want to join.

Interest group info can be found on the club website. You can also request the details sheet from any board member or from ClarionNewsletter@Gmail.com

May Style Show is **Monday, May 6th!**

This is a change from Tuesday to Monday and it's a week earlier than usual.

Please make sure you save the date on your calendar.

The State Hygienic Laboratory's mission is to protect and improve the quality of life in Iowa.

The vision is for Iowa to be a national leader in improving and sustaining quality of life through innovation, practice, and policy. It should be a very educational and informative morning. The State Hygienic Laboratory's main facilities are headquartered on the University of Iowa's Research Park campus northwest of Iowa City in Coralville.

Their expertise provides information about driving and the human factors, drugs and driving and how this data relates to vehicles. The research team collaborates with health sciences, works with older and novice drivers and carries out simulation science. It should be very exciting to learn about the Driving Safety Research. This will be a great way to end the day.

There is no cost for either the Hygienic Lab or the Driving Safety Institute. The only cost will be lunch at Copper Boar.

Qualified Charitable Distribution - Consider a donation to the Scholarship fund

Nick Ford, Arnold-Moote

If you are over 70-1/2 years old and have an IRA, qualified charitable distributions (QCDs) can be a great way to donate tax effectively to your favorite nonprofit organization (like the Bird House!). Itemizing your federal tax deductions (in part through donations) has become challenging since the standard deduction amount was raised a few years ago. This has unfortunately reduced much of the tax benefit individuals traditionally received from their charitable contributions.

QCDs present an opportunity to gain the tax advantage regardless of whether you itemize or not. As long as you are over 70-1/2, you can contribute directly from your IRA and not pay federal income tax on the distribution. This offers a great win-win situation: your local nonprofit receives vital funds, and you will reduce your federal tax bill by whatever bracket you happen to be in. For example, if you make a QCD of \$1,000 and are in the 22% federal tax bracket, you will pay \$220 less in taxes than you would have if taking a distribution from your IRA and then writing a check from your own bank account.

Talk to the custodian of your IRA or financial advisor to see how they handle QCDs. Some will provide a QCD checkbook for your IRA so that you can write checks to charitable organizations just like you would from your regular checkbook. Others will mail checks on behalf of your IRA as long as you provide relevant information about the receiving organization.
