The University Club is off to a wonderful start with the successful Fall Fair! Thank you, Jan Tracy, for chairing this event. The theme, "The University Club Needs U," served as a reminder that all of us are needed to grow and provide support to each other. Thank you to all that volunteered that day. We even had one lady just pay her dues when she arrived and wanted to help....so we assigned her a task. This is what University Club is all about....connecting, engaging, learning and most importantly laughing. I encourage all of you to find Interest Groups that provide those opportunities for you.

Speaking of Interest Groups, the 337 women that attended Fall Fair took the opportunity to sign up for many groups. It's not too late. Take a look at the listings in your yearbook and Clarion. Expand your horizon by joining a group that exposes you to something you have never tried before like Latin Dancing, Financial Literacy and Women with Hammers. If you have a passion for something, think about starting a new Interest Group. You may discover other women have that same passion.

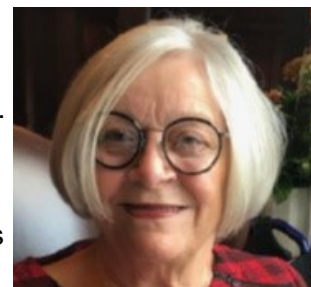

If you haven't had a chance to meet Monica Hayes, please do so. She is chairperson for our UI Scholarship Program. The board of directors has set a goal to raise \$10,000 during this fiscal year. PLEASE consider giving, perhaps in a loved one's name or as a special recognition of someone that has accomplished something remarkable. These funds go to Iowa women that need financial assistance to complete their education.

Our luncheons are another way to make new acquaintances, learn from our renowned speakers and just enjoy a delicious lunch with friends. You can use the forms in this newsletter or signup online.

Our 2024/2025 Nominating Committee, chaired by Past President Kate Varcoe, along with Mary Anne Schwartz, Nancy Dole, and Diane Dalton, will be meeting soon to present a slate for Executive Board positions (President-elect, Secretary and Treasurer) at our March business meeting. If you have suggestions, the Nominating Committee will welcome your ideas. I'm sure there will be additional board positions open, so please consider getting involved.

Now as the Holiday Season approaches, I want to wish ALL of you the very best and encourage you to enjoy time with our greatest gifts, family and friends. May the New Year bring you and yours health, happiness and Peace on Earth.

February 13, 2024 LUNCHEON

**Saving Brinton and Historical Films
Presented by: Michael Zahs**

Mike Zahs is a retired teacher from Washington School District. In a farmhouse on the Iowa countryside, he made a remarkable discovery: the showreels of the man who brought moving pictures to America's Heartland. Among the treasures are rare footage of President Teddy Roosevelt and so much more. These are the films that introduced movies to the world. Over 100 years ago Washington residents Frank and Indiana Brinton traveled to local theaters sharing the new invention of film with the public.

A documentary about the Brinton films has become a world-wide sensation. As Mike uncovers this hidden legacy, he begins a journey to restore the Brinton name and that leads to The Library of Congress.

He also collected 2,539 different nativity scenes, one of the world's largest collections.

Scholarship Update and Goals 2023-2024

Monica Hayes, Finance Chair, created the Donation Tree, introduced it at the Fall Fair and brought it to the Oct Luncheon. Marilee Fowler is shown tying her ribbon on the tree.

Your donation is indicated with a colored ribbon. By the end of the Club year the goal is to have the Donation tree covered with bright ribbons.

Hello Members,

I wanted to update you on the Scholarship program this year. The Board has set some goals for this year and I would love to see us achieve them! We have set both participation goals and a total fundraising goal this year and are off to a great start. The fall fair was a good boost in the right direction.

We also will have a donation tree on display and it will be fun to see it grow. Make a donation and you will have an opportunity to connect your name with a color coordinated Ribbon to the tree. Watch for the tree at luncheons and other events.

If you would like the tree to travel to one of your interest groups I would be happy to bring it on by with some donation cards!

If you participated at the fall fair you know we had some fun happening at our booth. The winner of the drawing from the putt-putt contest for the Halloween Baking Basket was Liz McGrane and the winner of the Foundary gift card was Elizabeth Daly.

Be sure to notice the updated address on this years scholarship cards if you are mailing them in!

Looking forward to receiving your donations!
Monica

40% of members, Last year actual 21% of members, this year to date 14% of members and 33% to goal.

Empower Women, Ignite Education

Empower Iowa Women: Igniting Education and Well-being!

Ladies of the University Club, gather 'round! We have some exciting news to share about the incredible benefits that scholarships bring to the lives of women in our great state. We are passionate about raising funds for a scholarship program aimed at supporting financially disadvantaged women from Iowa who aspire to pursue higher education at our local universities. Let's explore the immense impact scholarships have on their education and well-being.

1. Opening Doors to Education:

Scholarships serve as keys that unlock the doors to education and knowledge. They provide deserving women with the opportunity to pursue their dreams, even when faced with financial barriers. By granting access to higher education, scholarships empower women to expand their minds, acquire specialized skills, and cultivate a deep sense of personal growth.

2. Breaking the Financial Barrier:

For many women, financial constraints can be a significant obstacle to pursuing higher education. Scholarships alleviate these burdens, enabling talented individuals to focus on their studies instead of worrying about how to finance their education. By removing the financial barriers, scholarships ensure that deserving women can thrive academically and achieve their full potential.

3. Enhancing Career Prospects:

Education is an investment that pays dividends throughout one's lifetime. Scholarships equip women with the tools and knowledge needed to excel in their chosen fields, enhancing their career prospects. By supporting their education, scholarships contribute to the long-term economic empowerment of women, enabling them to secure better job opportunities, higher salaries, and improved job security.

4. Boosting Confidence and Self-Esteem:

Receiving a scholarship is not just about the financial support; it also provides a powerful affirmation of a woman's abilities and potential. Scholarships recognize and validate the hard work, dedication, and talent of these women, instilling a sense of confidence and self-esteem. This boost in confidence can have a transformative effect on their overall well-being, empowering them to overcome challenges and seize new opportunities.

5. Fostering Community Engagement and Leadership:

Scholarships often come with additional benefits beyond financial assistance. Many scholarship programs offer mentorship, networking opportunities, and community involvement, fostering a sense of belonging and encouraging women to become active leaders within their communities. These experiences not only enhance their educational journey but also shape them into well-rounded individuals, ready to make a positive impact on society.

6. Inspiring Future Generations:

When women receive scholarships and succeed academically, they become role models and sources of inspiration for future generations. By breaking through barriers and achieving their goals, they send a powerful message to other young women that their dreams are within reach. Scholarships create a ripple effect, inspiring more women to pursue their educational aspirations and empowering them to shape a brighter future.

Together, let's rally behind our scholarship program and make a lasting difference in the lives of Iowa women. By supporting their education and well-being, we are nurturing a community of strong, educated, and empowered women who will contribute to the prosperity of our great state.

Remember, every dollar raised brings us one step closer to transforming lives and building a better future. Join us in this noble cause, and together, let's ignite the flame of education and well-being for Iowa women through scholarships!

For more information on how to contribute or apply for the scholarship program, please visit our website, or see the scholarship form in this Clarion addition, or stop by our booth at any of the luncheons.

University President Barbara Wilson spoke at the Oct Luncheon

President Barbara Wilson was the guest speaker at The University Club of Iowa City's October luncheon. 161 club members and guests heard President Wilson speak. She shared that the University of Iowa is ranked #1 for the Undergraduate Nursing program in a Public University and #1 for the Writing program, the only public university in the top 10 and tied with Yale. This year, the University of Iowa has 30,042 enrolled students, from 94 of the 100 Counties in Iowa, 45 states and 94 countries. The 5-year strategic plan is to increase student enrollment to 33,000. The University of Iowa is rated #4 Nationally for women in leadership roles, 50% of the cabinet is female and 8 out of 12 Deans are female. 50% of Iowa students graduate with \$0 debt and the average Iowa student debt is \$28,841.

It was a great opportunity for us to meet President Wilson and for her to learn about our club and it's connection to the university.
