**CORPORATE OPEN RENTAL KART SESSIONS EVENT:** This event style includes open sessions for a more laid-back atmosphere and works great for groups of 30 or more. Each driver will be able to enter sessions throughout the 4-hour time frame and view their name with individual lap times on the timing and scoring board to see how they stack up against the other drivers! This is a great way to give everyone a chance to participate without the pressure of head-to-head racing. We also have several cornhole boards and giant Jenga that can be set up to provide entertainment for those who just want to hang out. You are welcome to carry in your own food. We do not provide alcohol, but you are welcome to bring your own for anyone who is not driving the rental karts, we will provide wristbands to those who wish to drive, and they will not be allowed to drink until after their wristband has been removed indicating they are no longer driving.
