

FUNDRAISING TEAM ENDURO EVENT

FUNDRAISING TEAM ENDURO EVENT: Tired of the same old charity walks and golf outings? Make your fundraising event exciting again with the thrill of kart racing! This event includes head-to-head team racing, complete with practice, qualifying, and a full endurance race with pit stops. Each team will be able to view their team’s name on the timing and scoring board to see how they stack up against the others and plan their winning strategy!

HOW IT WORKS: Book your date and sell up to 16 teams of 4 drivers for the donation amount of your choice (typically \$2,000.00). We also have plenty of space to set up a silent auction, car show, cornhole tournament or any other ideas you may have to add to the fundraising experience! You can carry in your own food for lunch and the podium celebration or add on our catering option. You are also welcomed to carry in your own alcohol to complete your podium celebration! Email michele@mckkarting.com to book your fundraising event today!
