Foreword

ISO (the International Organization for Standardization) is a worldwide federation of national standards bodies (ISO member bodies). The work of preparing International Standards is normally carried out through ISO technical committees. Each member body interested in a subject for which a technical committee has been established has the right to be represented on that committee. International organizations, governmental and non-governmental, in liaison with ISO, also take part in the work. ISO collaborates closely with the International Electrotechnical Commission (IEC) on all matters of electrotechnical standardization.

The procedures used to develop this document and those intended for its further maintenance are described in the ISO/IEC Directives, Part 1. In particular the different approval criteria needed for the different types of ISO documents should be noted. This document was drafted in accordance with the editorial rules of the ISO/IEC Directives, Part 2 (see www.iso.org/directives).

Attention is drawn to the possibility that some of the elements of this document may be the subject of patent rights. ISO shall not be held responsible for identifying any or all such patent rights. Details of any patent rights identified during the development of the document will be in the Introduction and/or on the ISO list of patent declarations received (see www.iso.org/patents).

Any trade name used in this document is information given for the convenience of users and does not constitute an endorsement.

For an explanation on the meaning of ISO specific terms and expressions related to conformity assessment, as well as information about ISO's adherence to the WTO principles in the Technical Barriers to Trade (TBT) see the following URL: [Foreword - Supplementary information](#)

The committee responsible for this document is ISO/TC 68, *Financial services*, Subcommittee SC 7, *Core banking*.

This eighth edition cancels and replaces the seventh edition (ISO 4217:2008), which has been technically revised.

Introduction

There is a need for a universally applicable code for the identification of currencies. This International Standard is the worldwide recognized multi-industry standard on currency codes based on the list of country names obtained from the United Nations as described in ISO 3166-1. The ISO 4217 lists of codes are used in banking and business globally in all their various domains of activities.

Codes for the representation of currencies

1 Scope

This International Standard specifies the structure for a three-letter alphabetic code and an equivalent three-digit numeric code for the representation of currencies. For those currencies having minor units, it also shows the decimal relationship between such units and the currency itself.

The scope of this International Standard also includes funds and precious metals.

This International Standard also includes basic guidelines for its maintenance.

This International Standard is intended for use in any application of trade, commerce and banking, where currencies and, where appropriate, funds are required to be described. It is designed to be equally suitable for manual users and for those employing automated systems.

2 Normative references

The following documents, in whole or in part, are normatively referenced in this document and are indispensable for its application. For dated references, only the edition cited applies. For undated references, the latest edition of the referenced document (including any amendments) applies.

ISO 3166-1:2013, *Codes for the representation of names of countries and their subdivisions — Part 1: Country codes*

3 Terms and definitions

For the purposes of this document, the following terms and definitions apply.

3.1

country name

name of a country, dependency or other area of particular geopolitical interest

3.2

currency

medium of exchange of value, defined by reference to the geographical location of the monetary authorities responsible for it

3.3

fund

artificial currency used as calculation basis for another currency (or currencies) and/or for accounting purposes

3.4

minor unit

unit of recorded value (i.e. as recorded by banks) which is a division of the respective unit of currency or fund

EXAMPLE The US cent is a one hundredth part of the US dollar; the GB penny is a one hundredth part of the pound sterling.

Note 1 to entry: Some currencies have minor units that are used in low-value coinage within a country or locality, but which are not used by the national or international banking system in making formal records of value.

ISO 4217:2015(E)

3.5 redenomination

amendment to the unit value of a currency, a minor unit amendment or a currency name amendment

3.6 monetary authority

authority that has the monetary sovereignty to exercise legal control over the currency of a country or countries and that is entitled to determine the currency unit, the denominations, etc.

3.7 currency basket

selected group of currencies, in which the weighted average is used as a measure of the value or the amount of an obligation

Note 1 to entry: A currency basket functions as a benchmark for regional currency movements; its composition and weighting depends on its purpose.

4 Principles for inclusion in the lists of codes

The codes represent the names and unit values of currencies or funds used in international financial exchanges. They are mostly derived from the country codes as described in ISO 3166-1 and by monetary authorities (for exceptions, see [5.1.4](#)).

5 Code structure

5.1 Alphabetic code

5.1.1 This International Standard provides an alphabetic alpha-3 character (alpha-3) code using combinations, in upper case, of three letters of the 26-character Roman alphabet (ignoring diacritics signs) from the range AAA to ZZZ.

5.1.2 The first two characters of the currency code (alpha-2 code) represent the country code as described in ISO 3166-1 (for exceptions, see [5.1.4](#)).

5.1.3 The third character of the alphabetic code is an indicator, preferably mnemonic, derived from the name of the major currency unit or fund.

5.1.4 Where the currency is not associated with a single ISO 3166-1 geographical entity, then the following cases apply:

- a) In the case of the European Union and the euro, the ISO 3166 Maintenance Agency explicitly accepted to reserve the alpha-2 code element "EU" for the European Union to use "EUR" for the purposes of this International Standard.
- b) In the case that the currency is emitted by a monetary authority, the code shall be allocated by the Maintenance Agency from within the user-assigned range of codes XA to XZ specified in ISO 3166-1:2013, 8.1.3.

5.1.5 Where the ISO 3166-1 geographical entity is not associated with a single currency, then the following case applies:

- a) In the case that the considered currency is emitted by a national monetary authority and is used by other countries, the code is based on the alpha-2 code of the emitting country, as specified in [5.1.2](#).

5.1.6 Alpha-3 codes that have been assigned at any time shall not be re-used.

5.2 Numeric code

The numeric currency code is derived, where possible, from the United Nations Standard Country or Area Code. Any additional codes shall be allocated from within the user-assigned range of codes 900 to 998.

6 Minor unit

Requirements sometimes arise for values to be expressed in terms of minor units of currency. Currently, when this occurs, it is necessary to know the decimal relationship that exists between the currency concerned and its minor unit. This information is shown in the column headed "Minor unit" in List one (8.1) and List two (8.2). Number 0 and "n.a." means that there is no minor unit for that currency, whereas number 1, 2, 3, etc. signify a ratio of 10:1, 100:1, 1 000:1, etc. respectively. The names of the minor units are not given.

7 Redenomination

This clause defines currency redenomination which includes the following:

- amendment to the unit value of a currency;
- amendment to the minor unit;
- amendment to the currency name.

To reduce the impact on operational systems, in case of a minor unit amendment or a currency name amendment, the alphabetic and numeric code shall not change unless specifically required by the monetary authority.

In case of an amendment to the unit value of a currency, the Maintenance Agency shall assign a new alphabetic and numeric code to the currency, which will enable it to be distinguished from the original unit value of that currency; the name of the currency shall not change unless specifically required by the monetary authority. In such cases, the old and new denominations sometimes run concurrently and usually for a specified period, and, two codes with the same country name would appear in List one (8.1). At the end of the specified period, the original currency code shall be moved to List three (8.3).

Every amendment of the alpha-2 or the numeric-3 code in ISO 3166 shall necessarily result in the modification of the corresponding alpha-3, numeric-3 code in ISO 4217.

8 Lists

The three lists of codes of this International Standard are published through the ISO website www.iso.org/iso/currency_codes.

8.1 List one: Currency, fund and precious metal codes

This list registers, in alphabetical order of the entities representing currencies, funds and precious metals, the following five columns of data:

- Alphabetic code: the alpha-3 currency code element;
- Numeric code: the numeric-3 currency code element;
- Minor unit: the minor unit element.

8.2 List two: Fund codes registered with the Maintenance Agency

This list registers, in alphabetical order of the entities representing fund codes registered with the Maintenance Agency, the following six columns of data:

- Entity: the short form of the country name and, where available, the institution responsible for the currency;
- Currency: the currency name for the respective entity;
- Fund type;
- Alphabetic code: the alpha-3 currency code element;
- Numeric code: the numeric-3 currency code element;
- Minor unit: the minor unit element.

8.3 List three: Codes for historic denominations of currencies and funds

This list registers, in alphabetical order of the historic entities representing currencies and funds, the following five columns of data:

- Entity: the short form of the country name, the description of a currency or of a fund;
- Currency: the currency name for the respective entity;
- Alphabetic code: the alpha-3 currency code element;
- Numeric code: the numeric-3 currency code element;

9 Maintenance

9.1 General

A Maintenance Agency (ISO 4217/MA) established by the ISO council acts in accordance with procedures approved by the council. It has been entrusted with the following functions:

- a) to issue, amend and delete names and codes of currencies and funds as needed, in consultation with the appropriate national and international monetary authorities and, as necessary, with the ISO 3166 Maintenance Agency;
- b) to advise monetary authorities regarding the issuing of new codes, amendments and deletions;
- c) to update and disseminate lists of currency, fund codes;
- d) to issue newsletters announcing changes made to the lists;
- e) to establish, in the normal course of work, additional rules for the practical application of the principles for assigning codes.

9.2 Changes to the lists

The issuing of new codes, amendments and deletions to the lists 1, 2 and 3 shall be made upon the request of monetary authorities only.

10 Guidelines for applicants

The need for issuing new codes, amendments and deletions to the lists shall be evidenced by an application, which may be submitted by monetary authorities only.

AFFIDAVIT OF REV. DR. CHRISTINA CLEMENT

HH EMPRESS QUEEN CHRISTINA, LOCS IS OUR ARTIFACT OF FAITH

Self-Determined, Plaintiff-Appellant, Pro Se, Judge of SOLN SUPREME COURT, 2024

Presidential Candidate of USA and President of Black USA

I, Rev. Dr. Christina Clement, HH Empress Queen Christina, being duly sworn, hereby declare as follows:

1. Identity and Capacity

I am the Plaintiff-Appellant in Case No. 24-5263 pending before the District of Columbia Court of Appeals, relating to the underlying civil action Case No. 1:24-cv-00479-RC, and Miscellaneous Case No. 25-mc-00078-UNA in the District of Columbia. I also serve in full fiduciary capacity as President of the State of Loc Nation Global Public Benefit Corporation and Trust (hereinafter “SOLNGPBC”) and Judge of SOLN Supreme Court self-determined and arise in DC Case 1:24 cv 00479 RC due to failed official to follow law and order..

Due to documented procedural irregularities, unresponsiveness, and failure by officials and the judiciary in **Case No. 1:24-cv-00479-RC** to provide a fair and impartial forum as guaranteed under the Fifth Amendment and customary international law, the **State of Loc Nation Supreme Tribunal** was lawfully established pursuant to self-determined sovereignty and community necessity. The SOLN Supreme Court now serves as a competent forum of record to adjudicate, administer, and enforce claims of the State of Loc Nation Global Public Benefit Trust and its constituents.

2. Background and Representation

As the duly authorized representative of SOLNGPBC, I submit this affidavit in support of the Appellant’s Motion to Recognize the Unrebutted Preliminary Revised Bill of Costs and Settlement Terms as Constructively Agreed under Federal Rule of Civil Procedure 8(b)(6), common law estoppel by silence, and applicable D.C. and federal law, and to request the issuance of a Writ of Execution.

3. Service and Non-Response by Defendants

Defendants, including Attorney General Merrick Garland, et al., were duly served with the Preliminary Revised Bill of Costs, Settlement Terms, and all related pleadings and notices pursuant to applicable procedural requirements, including Federal Rules of Civil Procedure and District of Columbia local rules. Despite proper service and ample opportunity to respond from February 2024- June 2025. Defendants have failed to file any answer, objection, or motion contesting these matters.and the window of opportunity is closed.

4. Admission by Silence under FRCP 8(b)(6)

Pursuant to Federal Rule of Civil Procedure 8(b)(6), any allegation not denied in a responsive pleading is deemed admitted. Defendants’ failure to deny or otherwise contest the bill of costs

and settlement terms constitutes an unequivocal admission, motions, et al of all facts and terms contained therein.

5. Estoppel by Silence

Under common law estoppel, Defendants' prolonged silence and failure to respond after actual knowledge of the claims and demands operates as a constructive agreement, barring them from denying liability or disputing the terms of settlement. Their inaction for a continuous period exceeding sixteen (16) months (from February 2024 through June 2025 not including the 1 year of notice prior to the court case) is deliberate and constitutes acquiescence.

6. Public Advocacy and Record

As President of SOLNGPBC, Black USA and a 2024 U.S. Presidential candidate of USA, I have undertaken extensive public advocacy through lobbying reports submitted by the Loc Community Association on behalf of SOLNGPBC, press releases, tax/ treasury correspondence ,social media postings, and public statements to bring attention to these matters and seek enforcement. These records are part of the public domain and are incorporated by reference.

7. Legal Basis for Enforcement

This Court is vested with jurisdiction to enforce judgments and settlements pursuant to D.C. Superior Court Rules, the Federal Rules of Civil Procedure, and applicable federal statutes, including but not limited to 31 U.S.C. § 1304 governing the U.S. Treasury Judgment Fund. Enforcement is warranted to provide redress for historic redlining and related harms as outlined in the settlement terms and documented transfers of assets (Doc 82, dated October 21, 2024). SOLN Restitution Act and Declaration for the Historical Record freedman Bureau Act of 1865 & 1866

8.Demand of Writ of Execution

Given the uncontested nature of the settlement terms and bill of costs, I respectfully enter in this Court and other courts within their ministerial duties to enter judgment in favor of Plaintiff-Appellant, adopt the settlement terms as final and binding, and issue a Writ of Execution directing disbursement through the U.S. Treasury Judgment Fund and any other fund deemed appropriate..

I declare under the laws of State of Loc Nation Global Public Benefit Corporation and State of Loc Nation Global Public Benefit Trust; the United States of America and the District of Columbia that the foregoing proves true and correct as written..

Jurisdiction and Enforcement Memorandum In Support of Plaintiff-Appellant's Motion to Recognize Unrebutted Bill of Costs, Settlement Terms, and Request for Writ of Execution

I. Introduction

Plaintiff-Appellant Rev. Dr. Christina Clement, HH Empress Queen Christina, in full fiduciary capacity for the State of Loc Nation Global Public Benefit Corporation and Trust ("SOLN GPBC & Trust"), submits this memorandum in support of enforcement of the unrebutted Preliminary Revised Bill of Costs, Settlement Notice, and Writ of Execution. The Plaintiff respectfully requests the Court to recognize these filings as admitted under Fed. R. Civ. P. 8(b)(6), binding under common law estoppel, and enforceable under applicable D.C. and federal law.

In accordance with due process principles and natural law, the **State of Loc Nation Supreme Court** asserts original and remedial jurisdiction to enforce this judgment.

This authority arises from:

- The constructive denial of fair hearing under **Case No. 1:24-cv-00479-RC**
- The self-executing right to access justice through **alternative lawful forums**, recognized under both **domestic and international law**
- The failure of U.S. District and Appellate courts to rule on uncontested pleadings, amounting to a judicial abdication and triggering jurisdictional transfer.

International Law

UN Declaration on the Rights of Indigenous Peoples, Art. 34:

"Indigenous peoples have the right to promote, develop and maintain their institutional structures and their juridical systems or customs..."

U.S. Law

Mathews v. Eldridge, 424 U.S. 319 (1976): Due process requires a meaningful hearing. Denial of forum can violate constitutional rights.

Clearfield Trust Co. v. United States, 318 U.S. 363 (1943): Sovereign entities acting outside normal commercial law must provide remedy or face independent forum assertion.

II. Jurisdiction and Authority

This Court has full and proper jurisdiction to issue and enforce the Writ of Execution pursuant to the SOLN Restitution Act (Case 1:24-cv-00479-RC), the inherent authority of the State of Louisiana Supreme Court, Declaration for the Historical Record and applicable federal statutes.

The enforcement action invokes the following legal bases:

- * The SOLN Restitution Act 2025 providing statutory grounds for remedy and relief;
- * The Uniform Commercial Code (“UCC”), under which Plaintiff has filed and certified secured party financing statements establishing valid secured interest;
- * Federal Rule of Civil Procedure 8(b)(6), establishing constructive admission of un rebutted claims;
- * 31 U.S.C. § 1304 and related statutes authorizing payment through the U.S. Treasury Judgment Fund;
- * Local court rules and procedures authorizing issuance of writs, execution, and enforcement.

III. Sovereign Immunity Waiver

The Plaintiff-Appellant demonstrates that the defendants sovereign immunity does not bar enforcement by relying on:

- * The statutory waiver provided by 31 U.S.C. § 1304 which permits payment of valid judgments against the United States through the Treasury Judgment Fund, et al;
- * Compliance with all procedural requirements to trigger this waiver, including proper filing, service, and notice;
- * Binding precedent confirming that federal agencies must honor such valid court orders and judgment enforcement procedures.

IV. Historical and Character-Based Noncompliance

The Defendants and their agents, including federal agencies, have exhibited a historical documented and ongoing pattern of willful noncompliance, procedural delay, and failure to abide by judicial mandates. Such conduct includes ignoring Settlement Notices, refusing to rebut the Bill of Costs, and failing to respond to lawful enforcement efforts.

Given this character and history, Plaintiff-Appellant asserts that immediate and direct enforcement is warranted without further delay or additional preliminary proceedings. The doctrine of estoppel by silence and failure to contest (Fed. R. Civ. P. 8(b)(6)) further supports this position.

All undisputed laws, rules, and enforcement tools must be fully invoked to compel compliance, including writs of execution, garnishment, levy, and asset recovery under applicable statutes and regulations.

V. National and Intentional Enforcement

This enforcement action is expressly recognized as “**national in scope**”, binding all federal agencies, departments, financial institutions, and enforcement authorities within the United States.

The Plaintiff-Appellant intentionally invokes all applicable statutes, procedural rules, and enforcement mechanisms to ensure full compliance across jurisdictions without exception or limitation.

Such nationwide enforceability is necessary to address systemic noncompliance and uphold justice in accordance with the SOLN Restitution Act, federal law, and the sovereign authority of the State of Loc Nation Supreme Court.

VI. Filing Date and Court Stamp

Upon receipt and affixation of the official court stamp and date of filing, this memorandum and all accompanying documents shall be deemed filed, accepted, and agreed to by the Court and all parties as of that date.

This filing date establishes the official record for enforcement timelines and procedural deadlines. Failure to timely rebut or respond shall constitute constructive agreement and admission under applicable procedural rules, triggering enforcement mechanisms without further delay. The rebuttal time has ended. Defendants had from February 2024 to June 12, 2025 to rebuttal.

VII. Prayer for Relief

All Prayer for relief in DC 1:24 cv 00479 RC and DC Appeals 24-5263 are HEREBY GRANTED

pursuant to Federal Rule of Civil Procedure 8(b)(6);55; Restatement (second) of Contracts 69; US v Twenty-Nine Pre Columbian and colonial artworks , 2018 WL4680988(DDC) Court accepted un rebutted government forfeiture complaint as true under rule 8(b)(6); Common law estoppel by silencer Acquiescence If the defendant fails to deny or respond to

the claims made I the pleading, the court may treat those claims as admitted by default. Proper service has be made and defendant failed to respond in legal and lawful response time. Facts were not disputed.

"Notice to Agent is Notice to Principal" Clause:

"In accordance with universal commercial principles and maxims of equity, notice to any agent shall be deemed notice to all principals, and vice versa."

Respectfully submitted,

AFFIDAVIT OF REV. DR. CHRISTINA CLEMENT

HH EMPRESS QUEEN CHRISTINA, LOCS IS OUR ARTIFACT OF FAITH

Self-Determined, Plaintiff-Appellant, Pro Se, Judge of SOLN SUPREME COURT, 2024

Presidential Candidate of USA and President of Black USA

I, Rev. Dr. Christina Clement, HH Empress Queen Christina, being duly sworn, hereby declare as follows:

1. Identity and Capacity

I am the Plaintiff-Appellant in Case No. 24-5263 pending before the District of Columbia Court of Appeals, relating to the underlying civil action Case No. 1:24-cv-00479-RC, and Miscellaneous Case No. 25-mc-00078-UNA in the District of Columbia. I also serve in full fiduciary capacity as President of the State of Loc Nation Global Public Benefit Corporation and Trust (hereinafter “SOLNGPBC”) and Judge of SOLN Supreme Court self-determined and arise in DC Case 1:24 cv 00479 RC due to failed official to follow law and order..

Due to documented procedural irregularities, unresponsiveness, and failure by officials and the judiciary in **Case No. 1:24-cv-00479-RC** to provide a fair and impartial forum as guaranteed under the Fifth Amendment and customary international law, the **State of Loc Nation Supreme Tribunal** was lawfully established pursuant to self-determined sovereignty and community necessity. The SOLN Supreme Court now serves as a competent forum of record to adjudicate, administer, and enforce claims of the State of Loc Nation Global Public Benefit Trust and its constituents.

2. Background and Representation

As the duly authorized representative of SOLNGPBC, I submit this affidavit in support of the Appellant’s Motion to Recognize the Unrebutted Preliminary Revised Bill of Costs and Settlement Terms as Constructively Agreed under Federal Rule of Civil Procedure 8(b)(6), common law estoppel by silence, and applicable D.C. and federal law, and to request the issuance of a Writ of Execution.

3. Service and Non-Response by Defendants

Defendants, including Attorney General Merrick Garland, et al., were duly served with the Preliminary Revised Bill of Costs, Settlement Terms, and all related pleadings and notices pursuant to applicable procedural requirements, including Federal Rules of Civil Procedure and District of Columbia local rules. Despite proper service and ample opportunity to respond from February 2024- June 2025. Defendants have failed to file any answer, objection, or motion contesting these matters.and the window of opportunity is closed.

4. Admission by Silence under FRCP 8(b)(6)

Pursuant to Federal Rule of Civil Procedure 8(b)(6), any allegation not denied in a responsive pleading is deemed admitted. Defendants’ failure to deny or otherwise contest the bill of costs

and settlement terms constitutes an unequivocal admission, motions, et al of all facts and terms contained therein.

5. Estoppel by Silence

Under common law estoppel, Defendants' prolonged silence and failure to respond after actual knowledge of the claims and demands operates as a constructive agreement, barring them from denying liability or disputing the terms of settlement. Their inaction for a continuous period exceeding sixteen (16) months (from February 2024 through June 2025 not including the 1 year of notice prior to the court case) is deliberate and constitutes acquiescence.

6. Public Advocacy and Record

As President of SOLNGPBC, Black USA and a 2024 U.S. Presidential candidate of USA, I have undertaken extensive public advocacy through lobbying reports submitted by the Loc Community Association on behalf of SOLNGPBC, press releases, tax/ treasury correspondence ,social media postings, and public statements to bring attention to these matters and seek enforcement. These records are part of the public domain and are incorporated by reference.

7. Legal Basis for Enforcement

This Court is vested with jurisdiction to enforce judgments and settlements pursuant to D.C. Superior Court Rules, the Federal Rules of Civil Procedure, and applicable federal statutes, including but not limited to 31 U.S.C. § 1304 governing the U.S. Treasury Judgment Fund. Enforcement is warranted to provide redress for historic redlining and related harms as outlined in the settlement terms and documented transfers of assets (Doc 82, dated October 21, 2024). SOLN Restitution Act and Declaration for the Historical Record freedman Bureau Act of 1865 & 1866

8.Demand of Writ of Execution

Given the uncontested nature of the settlement terms and bill of costs, I respectfully enter in this Court and other courts within their ministerial duties to enter judgment in favor of Plaintiff-Appellant, adopt the settlement terms as final and binding, and issue a Writ of Execution directing disbursement through the U.S. Treasury Judgment Fund and any other fund deemed appropriate..

I declare under the laws of State of Loc Nation Global Public Benefit Corporation and State of Loc Nation Global Public Benefit Trust; the United States of America and the District of Columbia that the foregoing proves true and correct as written..

Jurisdiction and Enforcement Memorandum In Support of Plaintiff-Appellant's Motion to Recognize Unrebutted Bill of Costs, Settlement Terms, and Request for Writ of Execution

I. Introduction

Plaintiff-Appellant Rev. Dr. Christina Clement, HH Empress Queen Christina, in full fiduciary capacity for the State of Loc Nation Global Public Benefit Corporation and Trust ("SOLN GPBC & Trust"), submits this memorandum in support of enforcement of the unrebutted Preliminary Revised Bill of Costs, Settlement Notice, and Writ of Execution. The Plaintiff respectfully requests the Court to recognize these filings as admitted under Fed. R. Civ. P. 8(b)(6), binding under common law estoppel, and enforceable under applicable D.C. and federal law.

In accordance with due process principles and natural law, the **State of Loc Nation Supreme Court** asserts original and remedial jurisdiction to enforce this judgment.

This authority arises from:

- The constructive denial of fair hearing under **Case No. 1:24-cv-00479-RC**
- The self-executing right to access justice through **alternative lawful forums**, recognized under both **domestic and international law**
- The failure of U.S. District and Appellate courts to rule on uncontested pleadings, amounting to a judicial abdication and triggering jurisdictional transfer.

International Law

UN Declaration on the Rights of Indigenous Peoples, Art. 34:

"Indigenous peoples have the right to promote, develop and maintain their institutional structures and their juridical systems or customs..."

U.S. Law

Mathews v. Eldridge, 424 U.S. 319 (1976): Due process requires a meaningful hearing. Denial of forum can violate constitutional rights.

Clearfield Trust Co. v. United States, 318 U.S. 363 (1943): Sovereign entities acting outside normal commercial law must provide remedy or face independent forum assertion.

II. Jurisdiction and Authority

This Court has full and proper jurisdiction to issue and enforce the Writ of Execution pursuant to the SOLN Restitution Act (Case 1:24-cv-00479-RC), the inherent authority of the State of Louisiana Supreme Court, Declaration for the Historical Record and applicable federal statutes.

The enforcement action invokes the following legal bases:

- * The SOLN Restitution Act 2025 providing statutory grounds for remedy and relief;
- * The Uniform Commercial Code (“UCC”), under which Plaintiff has filed and certified secured party financing statements establishing valid secured interest;
- * Federal Rule of Civil Procedure 8(b)(6), establishing constructive admission of un rebutted claims;
- * 31 U.S.C. § 1304 and related statutes authorizing payment through the U.S. Treasury Judgment Fund;
- * Local court rules and procedures authorizing issuance of writs, execution, and enforcement.

III. Sovereign Immunity Waiver

The Plaintiff-Appellant demonstrates that the defendants sovereign immunity does not bar enforcement by relying on:

- * The statutory waiver provided by 31 U.S.C. § 1304 which permits payment of valid judgments against the United States through the Treasury Judgment Fund, et al;
- * Compliance with all procedural requirements to trigger this waiver, including proper filing, service, and notice;
- * Binding precedent confirming that federal agencies must honor such valid court orders and judgment enforcement procedures.

IV. Historical and Character-Based Noncompliance

The Defendants and their agents, including federal agencies, have exhibited a historical documented and ongoing pattern of willful noncompliance, procedural delay, and failure to abide by judicial mandates. Such conduct includes ignoring Settlement Notices, refusing to rebut the Bill of Costs, and failing to respond to lawful enforcement efforts.

Given this character and history, Plaintiff-Appellant asserts that immediate and direct enforcement is warranted without further delay or additional preliminary proceedings. The doctrine of estoppel by silence and failure to contest (Fed. R. Civ. P. 8(b)(6)) further supports this position.

All undisputed laws, rules, and enforcement tools must be fully invoked to compel compliance, including writs of execution, garnishment, levy, and asset recovery under applicable statutes and regulations.

V. National and Intentional Enforcement

This enforcement action is expressly recognized as “**national in scope**”, binding all federal agencies, departments, financial institutions, and enforcement authorities within the United States.

The Plaintiff-Appellant intentionally invokes all applicable statutes, procedural rules, and enforcement mechanisms to ensure full compliance across jurisdictions without exception or limitation.

Such nationwide enforceability is necessary to address systemic noncompliance and uphold justice in accordance with the SOLN Restitution Act, federal law, and the sovereign authority of the State of Loc Nation Supreme Court.

VI. Filing Date and Court Stamp

Upon receipt and affixation of the official court stamp and date of filing, this memorandum and all accompanying documents shall be deemed filed, accepted, and agreed to by the Court and all parties as of that date.

This filing date establishes the official record for enforcement timelines and procedural deadlines. Failure to timely rebut or respond shall constitute constructive agreement and admission under applicable procedural rules, triggering enforcement mechanisms without further delay. The rebuttal time has ended. Defendants had from February 2024 to June 12, 2025 to rebuttal.

VII. Prayer for Relief

All Prayer for relief in DC 1:24 cv 00479 RC and DC Appeals 24-5263 are HEREBY GRANTED

pursuant to Federal Rule of Civil Procedure 8(b)(6);55; Restatement (second) of Contracts 69; US v Twenty-Nine Pre Columbian and colonial artworks , 2018 WL4680988(DDC) Court accepted un rebutted government forfeiture complaint as true under rule 8(b)(6); Common law estoppel by silencer Acquiescence If the defendant fails to deny or respond to

the claims made I the pleading, the court may treat those claims as admitted by default. Proper service has be made and defendant failed to respond in legal and lawful response time. Facts were not disputed.

"Notice to Agent is Notice to Principal" Clause:

"In accordance with universal commercial principles and maxims of equity, notice to any agent shall be deemed notice to all principals, and vice versa."

Respectfully submitted,

AFFIDAVIT OF REV. DR. CHRISTINA CLEMENT

HH EMPRESS QUEEN CHRISTINA, LOCS IS OUR ARTIFACT OF FAITH

Self-Determined, Plaintiff-Appellant, Pro Se, Judge of SOLN SUPREME COURT, 2024

Presidential Candidate of USA and President of Black USA

I, Rev. Dr. Christina Clement, HH Empress Queen Christina, being duly sworn, hereby declare as follows:

1. Identity and Capacity

I am the Plaintiff-Appellant in Case No. 24-5263 pending before the District of Columbia Court of Appeals, relating to the underlying civil action Case No. 1:24-cv-00479-RC, and Miscellaneous Case No. 25-mc-00078-UNA in the District of Columbia. I also serve in full fiduciary capacity as President of the State of Loc Nation Global Public Benefit Corporation and Trust (hereinafter “SOLNGPBC”) and Judge of SOLN Supreme Court self-determined and arise in DC Case 1:24 cv 00479 RC due to failed official to follow law and order..

Due to documented procedural irregularities, unresponsiveness, and failure by officials and the judiciary in **Case No. 1:24-cv-00479-RC** to provide a fair and impartial forum as guaranteed under the Fifth Amendment and customary international law, the **State of Loc Nation Supreme Tribunal** was lawfully established pursuant to self-determined sovereignty and community necessity. The SOLN Supreme Court now serves as a competent forum of record to adjudicate, administer, and enforce claims of the State of Loc Nation Global Public Benefit Trust and its constituents.

2. Background and Representation

As the duly authorized representative of SOLNGPBC, I submit this affidavit in support of the Appellant’s Motion to Recognize the Unrebutted Preliminary Revised Bill of Costs and Settlement Terms as Constructively Agreed under Federal Rule of Civil Procedure 8(b)(6), common law estoppel by silence, and applicable D.C. and federal law, and to request the issuance of a Writ of Execution.

3. Service and Non-Response by Defendants

Defendants, including Attorney General Merrick Garland, et al., were duly served with the Preliminary Revised Bill of Costs, Settlement Terms, and all related pleadings and notices pursuant to applicable procedural requirements, including Federal Rules of Civil Procedure and District of Columbia local rules. Despite proper service and ample opportunity to respond from February 2024- June 2025. Defendants have failed to file any answer, objection, or motion contesting these matters.and the window of opportunity is closed.

4. Admission by Silence under FRCP 8(b)(6)

Pursuant to Federal Rule of Civil Procedure 8(b)(6), any allegation not denied in a responsive pleading is deemed admitted. Defendants’ failure to deny or otherwise contest the bill of costs

and settlement terms constitutes an unequivocal admission, motions, et al of all facts and terms contained therein.

5. Estoppel by Silence

Under common law estoppel, Defendants' prolonged silence and failure to respond after actual knowledge of the claims and demands operates as a constructive agreement, barring them from denying liability or disputing the terms of settlement. Their inaction for a continuous period exceeding sixteen (16) months (from February 2024 through June 2025 not including the 1 year of notice prior to the court case) is deliberate and constitutes acquiescence.

6. Public Advocacy and Record

As President of SOLNGPBC, Black USA and a 2024 U.S. Presidential candidate of USA, I have undertaken extensive public advocacy through lobbying reports submitted by the Loc Community Association on behalf of SOLNGPBC, press releases, tax/ treasury correspondence ,social media postings, and public statements to bring attention to these matters and seek enforcement. These records are part of the public domain and are incorporated by reference.

7. Legal Basis for Enforcement

This Court is vested with jurisdiction to enforce judgments and settlements pursuant to D.C. Superior Court Rules, the Federal Rules of Civil Procedure, and applicable federal statutes, including but not limited to 31 U.S.C. § 1304 governing the U.S. Treasury Judgment Fund. Enforcement is warranted to provide redress for historic redlining and related harms as outlined in the settlement terms and documented transfers of assets (Doc 82, dated October 21, 2024). SOLN Restitution Act and Declaration for the Historical Record freedman Bureau Act of 1865 & 1866

8.Demand of Writ of Execution

Given the uncontested nature of the settlement terms and bill of costs, I respectfully enter in this Court and other courts within their ministerial duties to enter judgment in favor of Plaintiff-Appellant, adopt the settlement terms as final and binding, and issue a Writ of Execution directing disbursement through the U.S. Treasury Judgment Fund and any other fund deemed appropriate..

I declare under the laws of State of Loc Nation Global Public Benefit Corporation and State of Loc Nation Global Public Benefit Trust; the United States of America and the District of Columbia that the foregoing proves true and correct as written..

Jurisdiction and Enforcement Memorandum In Support of Plaintiff-Appellant's Motion to Recognize Unrebutted Bill of Costs, Settlement Terms, and Request for Writ of Execution

I. Introduction

Plaintiff-Appellant Rev. Dr. Christina Clement, HH Empress Queen Christina, in full fiduciary capacity for the State of Loc Nation Global Public Benefit Corporation and Trust ("SOLN GPBC & Trust"), submits this memorandum in support of enforcement of the unrebutted Preliminary Revised Bill of Costs, Settlement Notice, and Writ of Execution. The Plaintiff respectfully requests the Court to recognize these filings as admitted under Fed. R. Civ. P. 8(b)(6), binding under common law estoppel, and enforceable under applicable D.C. and federal law.

In accordance with due process principles and natural law, the **State of Loc Nation Supreme Court** asserts original and remedial jurisdiction to enforce this judgment.

This authority arises from:

- The constructive denial of fair hearing under **Case No. 1:24-cv-00479-RC**
- The self-executing right to access justice through **alternative lawful forums**, recognized under both **domestic and international law**
- The failure of U.S. District and Appellate courts to rule on uncontested pleadings, amounting to a judicial abdication and triggering jurisdictional transfer.

International Law

UN Declaration on the Rights of Indigenous Peoples, Art. 34:

"Indigenous peoples have the right to promote, develop and maintain their institutional structures and their juridical systems or customs..."

U.S. Law

Mathews v. Eldridge, 424 U.S. 319 (1976): Due process requires a meaningful hearing. Denial of forum can violate constitutional rights.

Clearfield Trust Co. v. United States, 318 U.S. 363 (1943): Sovereign entities acting outside normal commercial law must provide remedy or face independent forum assertion.

II. Jurisdiction and Authority

This Court has full and proper jurisdiction to issue and enforce the Writ of Execution pursuant to the SOLN Restitution Act (Case 1:24-cv-00479-RC), the inherent authority of the State of Louisiana Supreme Court, Declaration for the Historical Record and applicable federal statutes.

The enforcement action invokes the following legal bases:

- * The SOLN Restitution Act 2025 providing statutory grounds for remedy and relief;
- * The Uniform Commercial Code (“UCC”), under which Plaintiff has filed and certified secured party financing statements establishing valid secured interest;
- * Federal Rule of Civil Procedure 8(b)(6), establishing constructive admission of un rebutted claims;
- * 31 U.S.C. § 1304 and related statutes authorizing payment through the U.S. Treasury Judgment Fund;
- * Local court rules and procedures authorizing issuance of writs, execution, and enforcement.

III. Sovereign Immunity Waiver

The Plaintiff-Appellant demonstrates that the defendants sovereign immunity does not bar enforcement by relying on:

- * The statutory waiver provided by 31 U.S.C. § 1304 which permits payment of valid judgments against the United States through the Treasury Judgment Fund, et al;
- * Compliance with all procedural requirements to trigger this waiver, including proper filing, service, and notice;
- * Binding precedent confirming that federal agencies must honor such valid court orders and judgment enforcement procedures.

IV. Historical and Character-Based Noncompliance

The Defendants and their agents, including federal agencies, have exhibited a historical documented and ongoing pattern of willful noncompliance, procedural delay, and failure to abide by judicial mandates. Such conduct includes ignoring Settlement Notices, refusing to rebut the Bill of Costs, and failing to respond to lawful enforcement efforts.

Given this character and history, Plaintiff-Appellant asserts that immediate and direct enforcement is warranted without further delay or additional preliminary proceedings. The doctrine of estoppel by silence and failure to contest (Fed. R. Civ. P. 8(b)(6)) further supports this position.

All undisputed laws, rules, and enforcement tools must be fully invoked to compel compliance, including writs of execution, garnishment, levy, and asset recovery under applicable statutes and regulations.

V. National and Intentional Enforcement

This enforcement action is expressly recognized as “**national in scope**”, binding all federal agencies, departments, financial institutions, and enforcement authorities within the United States.

The Plaintiff-Appellant intentionally invokes all applicable statutes, procedural rules, and enforcement mechanisms to ensure full compliance across jurisdictions without exception or limitation.

Such nationwide enforceability is necessary to address systemic noncompliance and uphold justice in accordance with the SOLN Restitution Act, federal law, and the sovereign authority of the State of Loc Nation Supreme Court.

VI. Filing Date and Court Stamp

Upon receipt and affixation of the official court stamp and date of filing, this memorandum and all accompanying documents shall be deemed filed, accepted, and agreed to by the Court and all parties as of that date.

This filing date establishes the official record for enforcement timelines and procedural deadlines. Failure to timely rebut or respond shall constitute constructive agreement and admission under applicable procedural rules, triggering enforcement mechanisms without further delay. The rebuttal time has ended. Defendants had from February 2024 to June 12, 2025 to rebuttal.

VII. Prayer for Relief

All Prayer for relief in DC 1:24 cv 00479 RC and DC Appeals 24-5263 are HEREBY GRANTED

pursuant to Federal Rule of Civil Procedure 8(b)(6);55; Restatement (second) of Contracts 69; US v Twenty-Nine Pre Columbian and colonial artworks , 2018 WL4680988(DDC) Court accepted un rebutted government forfeiture complaint as true under rule 8(b)(6); Common law estoppel by silencer Acquiescence If the defendant fails to deny or respond to

the claims made I the pleading, the court may treat those claims as admitted by default. Proper service has be made and defendant failed to respond in legal and lawful response time. Facts were not disputed.

"Notice to Agent is Notice to Principal" Clause:

"In accordance with universal commercial principles and maxims of equity, notice to any agent shall be deemed notice to all principals, and vice versa."

Respectfully submitted,

AFFIDAVIT OF REV. DR. CHRISTINA CLEMENT

HH EMPRESS QUEEN CHRISTINA, LOCS IS OUR ARTIFACT OF FAITH

Self-Determined, Plaintiff-Appellant, Pro Se, Judge of SOLN SUPREME COURT, 2024

Presidential Candidate of USA and President of Black USA

I, Rev. Dr. Christina Clement, HH Empress Queen Christina, being duly sworn, hereby declare as follows:

1. Identity and Capacity

I am the Plaintiff-Appellant in Case No. 24-5263 pending before the District of Columbia Court of Appeals, relating to the underlying civil action Case No. 1:24-cv-00479-RC, and Miscellaneous Case No. 25-mc-00078-UNA in the District of Columbia. I also serve in full fiduciary capacity as President of the State of Loc Nation Global Public Benefit Corporation and Trust (hereinafter “SOLNGPBC”) and Judge of SOLN Supreme Court self-determined and arise in DC Case 1:24 cv 00479 RC due to failed official to follow law and order..

Due to documented procedural irregularities, unresponsiveness, and failure by officials and the judiciary in **Case No. 1:24-cv-00479-RC** to provide a fair and impartial forum as guaranteed under the Fifth Amendment and customary international law, the **State of Loc Nation Supreme Tribunal** was lawfully established pursuant to self-determined sovereignty and community necessity. The SOLN Supreme Court now serves as a competent forum of record to adjudicate, administer, and enforce claims of the State of Loc Nation Global Public Benefit Trust and its constituents.

2. Background and Representation

As the duly authorized representative of SOLNGPBC, I submit this affidavit in support of the Appellant’s Motion to Recognize the Unrebutted Preliminary Revised Bill of Costs and Settlement Terms as Constructively Agreed under Federal Rule of Civil Procedure 8(b)(6), common law estoppel by silence, and applicable D.C. and federal law, and to request the issuance of a Writ of Execution.

3. Service and Non-Response by Defendants

Defendants, including Attorney General Merrick Garland, et al., were duly served with the Preliminary Revised Bill of Costs, Settlement Terms, and all related pleadings and notices pursuant to applicable procedural requirements, including Federal Rules of Civil Procedure and District of Columbia local rules. Despite proper service and ample opportunity to respond from February 2024- June 2025. Defendants have failed to file any answer, objection, or motion contesting these matters.and the window of opportunity is closed.

4. Admission by Silence under FRCP 8(b)(6)

Pursuant to Federal Rule of Civil Procedure 8(b)(6), any allegation not denied in a responsive pleading is deemed admitted. Defendants’ failure to deny or otherwise contest the bill of costs

and settlement terms constitutes an unequivocal admission, motions, et al of all facts and terms contained therein.

5. Estoppel by Silence

Under common law estoppel, Defendants' prolonged silence and failure to respond after actual knowledge of the claims and demands operates as a constructive agreement, barring them from denying liability or disputing the terms of settlement. Their inaction for a continuous period exceeding sixteen (16) months (from February 2024 through June 2025 not including the 1 year of notice prior to the court case) is deliberate and constitutes acquiescence.

6. Public Advocacy and Record

As President of SOLNGPBC, Black USA and a 2024 U.S. Presidential candidate of USA, I have undertaken extensive public advocacy through lobbying reports submitted by the Loc Community Association on behalf of SOLNGPBC, press releases, tax/ treasury correspondence ,social media postings, and public statements to bring attention to these matters and seek enforcement. These records are part of the public domain and are incorporated by reference.

7. Legal Basis for Enforcement

This Court is vested with jurisdiction to enforce judgments and settlements pursuant to D.C. Superior Court Rules, the Federal Rules of Civil Procedure, and applicable federal statutes, including but not limited to 31 U.S.C. § 1304 governing the U.S. Treasury Judgment Fund. Enforcement is warranted to provide redress for historic redlining and related harms as outlined in the settlement terms and documented transfers of assets (Doc 82, dated October 21, 2024). SOLN Restitution Act and Declaration for the Historical Record freedman Bureau Act of 1865 & 1866

8.Demand of Writ of Execution

Given the uncontested nature of the settlement terms and bill of costs, I respectfully enter in this Court and other courts within their ministerial duties to enter judgment in favor of Plaintiff-Appellant, adopt the settlement terms as final and binding, and issue a Writ of Execution directing disbursement through the U.S. Treasury Judgment Fund and any other fund deemed appropriate..

I declare under the laws of State of Loc Nation Global Public Benefit Corporation and State of Loc Nation Global Public Benefit Trust; the United States of America and the District of Columbia that the foregoing proves true and correct as written..

Jurisdiction and Enforcement Memorandum In Support of Plaintiff-Appellant's Motion to Recognize Unrebutted Bill of Costs, Settlement Terms, and Request for Writ of Execution

I. Introduction

Plaintiff-Appellant Rev. Dr. Christina Clement, HH Empress Queen Christina, in full fiduciary capacity for the State of Loc Nation Global Public Benefit Corporation and Trust ("SOLN GPBC & Trust"), submits this memorandum in support of enforcement of the unrebutted Preliminary Revised Bill of Costs, Settlement Notice, and Writ of Execution. The Plaintiff respectfully requests the Court to recognize these filings as admitted under Fed. R. Civ. P. 8(b)(6), binding under common law estoppel, and enforceable under applicable D.C. and federal law.

In accordance with due process principles and natural law, the **State of Loc Nation Supreme Court** asserts original and remedial jurisdiction to enforce this judgment.

This authority arises from:

- The constructive denial of fair hearing under **Case No. 1:24-cv-00479-RC**
- The self-executing right to access justice through **alternative lawful forums**, recognized under both **domestic and international law**
- The failure of U.S. District and Appellate courts to rule on uncontested pleadings, amounting to a judicial abdication and triggering jurisdictional transfer.

International Law

UN Declaration on the Rights of Indigenous Peoples, Art. 34:

"Indigenous peoples have the right to promote, develop and maintain their institutional structures and their juridical systems or customs..."

U.S. Law

Mathews v. Eldridge, 424 U.S. 319 (1976): Due process requires a meaningful hearing. Denial of forum can violate constitutional rights.

Clearfield Trust Co. v. United States, 318 U.S. 363 (1943): Sovereign entities acting outside normal commercial law must provide remedy or face independent forum assertion.

II. Jurisdiction and Authority

This Court has full and proper jurisdiction to issue and enforce the Writ of Execution pursuant to the SOLN Restitution Act (Case 1:24-cv-00479-RC), the inherent authority of the State of Louisiana Supreme Court, Declaration for the Historical Record and applicable federal statutes.

The enforcement action invokes the following legal bases:

- * The SOLN Restitution Act 2025 providing statutory grounds for remedy and relief;
- * The Uniform Commercial Code (“UCC”), under which Plaintiff has filed and certified secured party financing statements establishing valid secured interest;
- * Federal Rule of Civil Procedure 8(b)(6), establishing constructive admission of un rebutted claims;
- * 31 U.S.C. § 1304 and related statutes authorizing payment through the U.S. Treasury Judgment Fund;
- * Local court rules and procedures authorizing issuance of writs, execution, and enforcement.

III. Sovereign Immunity Waiver

The Plaintiff-Appellant demonstrates that the defendants sovereign immunity does not bar enforcement by relying on:

- * The statutory waiver provided by 31 U.S.C. § 1304 which permits payment of valid judgments against the United States through the Treasury Judgment Fund, et al;
- * Compliance with all procedural requirements to trigger this waiver, including proper filing, service, and notice;
- * Binding precedent confirming that federal agencies must honor such valid court orders and judgment enforcement procedures.

IV. Historical and Character-Based Noncompliance

The Defendants and their agents, including federal agencies, have exhibited a historical documented and ongoing pattern of willful noncompliance, procedural delay, and failure to abide by judicial mandates. Such conduct includes ignoring Settlement Notices, refusing to rebut the Bill of Costs, and failing to respond to lawful enforcement efforts.

Given this character and history, Plaintiff-Appellant asserts that immediate and direct enforcement is warranted without further delay or additional preliminary proceedings. The doctrine of estoppel by silence and failure to contest (Fed. R. Civ. P. 8(b)(6)) further supports this position.

All undisputed laws, rules, and enforcement tools must be fully invoked to compel compliance, including writs of execution, garnishment, levy, and asset recovery under applicable statutes and regulations.

V. National and Intentional Enforcement

This enforcement action is expressly recognized as “**national in scope**”, binding all federal agencies, departments, financial institutions, and enforcement authorities within the United States.

The Plaintiff-Appellant intentionally invokes all applicable statutes, procedural rules, and enforcement mechanisms to ensure full compliance across jurisdictions without exception or limitation.

Such nationwide enforceability is necessary to address systemic noncompliance and uphold justice in accordance with the SOLN Restitution Act, federal law, and the sovereign authority of the State of Loc Nation Supreme Court.

VI. Filing Date and Court Stamp

Upon receipt and affixation of the official court stamp and date of filing, this memorandum and all accompanying documents shall be deemed filed, accepted, and agreed to by the Court and all parties as of that date.

This filing date establishes the official record for enforcement timelines and procedural deadlines. Failure to timely rebut or respond shall constitute constructive agreement and admission under applicable procedural rules, triggering enforcement mechanisms without further delay. The rebuttal time has ended. Defendants had from February 2024 to June 12, 2025 to rebuttal.

VII. Prayer for Relief

All Prayer for relief in DC 1:24 cv 00479 RC and DC Appeals 24-5263 are HEREBY GRANTED

pursuant to Federal Rule of Civil Procedure 8(b)(6);55; Restatement (second) of Contracts 69; US v Twenty-Nine Pre Columbian and colonial artworks , 2018 WL4680988(DDC) Court accepted un rebutted government forfeiture complaint as true under rule 8(b)(6); Common law estoppel by silencer Acquiescence If the defendant fails to deny or respond to

the claims made in the pleading, the court may treat those claims as admitted by default. Proper service has been made and defendant failed to respond in legal and lawful response time. Facts were not disputed.

"Notice to Agent is Notice to Principal" Clause:

"In accordance with universal commercial principles and maxims of equity, notice to any agent shall be deemed notice to all principals, and vice versa."

Respectfully submitted,
