Plaintiff: Rev. Dr. Christina Clement

v.

Defendants: Merrick Garland, Chief Justice John G. Roberts Jr., et al.in their capacity

Case No.: 1:24-cv-00479-RC

AFFIDAVIT CERTIFYING MINISTERIAL FILING Default Judgement (non-discretionary) FROM THE STATE OF LOC NATION SUPREME COURT AND
CLERICAL FAILURE TO ENTER DEFAULT

I, Rev. Dr. Christina Clement, being duly sworn, depose and state under penalty of perjury as follows:

1. I am the Plaintiff in the above-captioned matter and submit this affidavit in my official capacity as authorized representative of the State of Loc Nation Court ("SOLN Court").
2. On May 14, 2015 , the S.O.L.N GPBC Supreme Court duly certified and transmitted to this US District Court a signed ministerial filing Default Judgement, affirming presentment of documents necessary to enter default judgment pursuant to 28 USC 1963 and Rule 55(a) of the Federal Rules of Civil Procedure.
3. The certification included proof of service, affidavits of service, and supporting instruments showing Defendants' failure to plead, appear, or otherwise defend as required by Rule 12 of the Federal Rules of Civil Procedure.
4. Under Rule 55(a), the Clerk of this Court is required to enter default against a party who fails to defend once service is properly effectuated.
5. Despite the ministerial nature of this action and the Court's non-discretionary obligation under 28 US 1963 and FRCP 55(a), the Clerk has failed to perform said duty or docket the required entry of default as well as send a copy of the received filing Document 96.

6. This affidavit is submitted to certify and reiterate that the filing from the S.O.L.N GPBC Supreme Court was lawful, verified, and presented under authority of administrative and judicial process.
7. Pursuant to 28 U.S.C. § 1691, 28 usc 1963 and Federal Rules of Civil Procedure 4(l) and 55, the Clerk's refusal or failure to act constitutes a clerical error prejudicing Plaintiff's right to obtain relief.
8. Attached hereto as Exhibit A is a true and correct copy of the signed ministerial certification issued by the S.O.L.N GPBC Supreme Court.
9. In further support, I affirm that the State of Loc Nation Global Public Benefit Corporation submitted a presentment to the United States Department of the Treasury offering to settle the U.S. national deficit through lawful fiduciary mechanisms.
10. That presentment, submitted in good faith under commercial and constitutional principles, remains unanswered by the Treasury, amounting to tacit acquiescence in commercial law and public administration.as of May 18, 2025.
11. The failure of both the Clerk and the Treasury to acknowledge lawfully submitted filings, under color of authority and good faith, undermines due process and violates the rights of the Plaintiff.
12. This affidavit is filed to preserve the record, secure ministerial entry of default (non-discretionary), and request judicial notice of the S.O.L.N GPBC Supreme Court's ministerial certification.
13. On or about May 11, 2025, I contacted the Clerk's Office to request a stamped copy of the ministerial filing (non-discretionary) DEFAULT JUDGEMENT issued by the State of Loc Nation GPBC SUPREME Court. I made follow-up requests again on May 19 and May 21, 2025. Each time, I was denied access to the stamped filing.
14. The Clerk responded that the filing was denied by the Judge due to the case being administratively closed, and refused to provide any stamped copy or written confirmation of the filing's receipt or status. I was sent a copy of the docket sheet.
15. This refusal directly contradicts the ministerial duties imposed upon the Clerk by 28 U.S.C. § 955 and Federal Rule of Civil Procedure 5(d)(4), which require the Clerk to accept and file pleadings and to issue copies to the submitting party upon request. The Clerk refused a proper ministerial filing and made a legal judgement call on their own deciding to submit entry 96 for review by the judge for leave to file.
16. Furthermore, the denial of access to my own submission interferes with my due process rights and prevents the full record from being preserved for appellate review. I

assert that dismissal or closure of a case does not nullify a party's right to correct clerical errors, file a Rule 60 motion, or demand ministerial relief.

Itemized Monetary Awards (Bill of Costs Sections a–f):

- **(a)** HR 40 allocation: \$12,000,000

A. Monetary Judgment

- Principal damages:
\$75,000,000
- Tribunal costs:
\$5,000
- Post-judgment interest:
6.00% per annum from **April 17, 2024** until paid.

B. Enforceability & Recognition

- This Judgment is final and fully enforceable in all U.S. courts under 28 U.S.C. § 1963, Fed. R. Civ. P. 69(a), and D.C. Code § 15-361.

Based on the court filings in Case No. 1:24-cv-00479-RC, the **total default judgment amount** includes both specified monetary awards and additional requests for massive restitution.

Itemized Monetary Awards (Bill of Costs Sections a–f):

- **(a)** HR 40 allocation: \$12,000,000
- **(b)** Washington, D.C.: \$1,500,000
- **(c)** Chicago (Executive Order 2024-1): \$500,000
- **(d)** California: \$12,000,000
- **(e)** Boston: \$500,000
- **(f)** Additional state allocations (as estimated): variable, but modeled in tiers of
 - \$500,000 (small states),
 - \$1,500,000 (mid-size),
 - \$12,000,000 (large states)

Assuming 10 small states, 5 mid-size states, and 5 large states:

- $10 \times \$500,000 = \$5,000,000$
- $5 \times \$1,500,000 = \$7,500,000$
- $5 \times \$12,000,000 = \$60,000,000$

Estimated subtotal from (f): \$72,500,000

Subtotal (a–f):

$$\$12\text{M} + \$1.5\text{M} + \$0.5\text{M} + \$12\text{M} + \$0.5\text{M} + \$72.5\text{M} = \$99,000,000$$

Punitive Damages & Restitution:

- (g) “Make Right All Wrongs”:

\$500 Quadrillion (\$500,000,000,000,000,000) WITH DAILY 50%
INTEREST as of 6/6/2024

This amount represents restitution for 500 years of kidnapping, and systemic injustice, including politicians pushing for national “pro-slavey” laws; early constitution protection to preserve slavery of illegally kidnapped individuals; government funded “slavery” economics by collecting taxes on cotton, rice and sugar plantations built with kidnapped enslaved labor, public infrastructure directly supported the plantation economy; public universities benefited from “slaveholding” of kidnaped individual wealth; laws were written that made kidnapping enslaved individuals legal, regulated and expanded. The restitution calculated as part of a mass action and class-based grievance under Rule 23 and various federal laws.

Total Claimed Judgment:

Category	Estimated Amount
Costs (a–f)	\$99,000,000

IMMEDIATE ACTION DEMAND: PASSAGE OF HR 40 WITH RESTITUTION MANDATE & AMENDMENTS RECOGNIZING PROVEN COURT RECORDS

Submitted by: Rev. Dr. Christina Loren Clement TE

To: Members of the United States Congress, Federal Agencies, and Public Oversight Entities

I, Rev. Dr. Christina Loren Clement,
 - Co Trustee, Clement Dynasty Dynasty Trust
 - Trust Protector & Co-Trustee, State of Loc Nation Global Public Benefit Trust
 - President, State of Loc Nation Global Public Benefit Corporation
 - Federal Lobbyist, LOC Community Association

formally demand the immediate passage and implementation of amended H.R. 40 using established acts, et al in DC 1:24 cv 00479 RC and DC appeals 24-5263, along with its necessary amendments, to provide for restitution for genocide committed during the illegal transatlantic slave trade and its continuing effects to this day. This restitution has already been formally filed through UCC financial filings and sent to SEc of State and will be updated with interest until received.

Background

As Trustee of the Clement Dynasty Dynasty Trust, and on behalf of the Adopted Citizens of the State of Loc Nation Trust, I am charged with the duty of ensuring the fulfillment of justice for the beneficiaries under my care, especially in regard to restitution for crimes against humanity committed against people of African, African American, Native, Aboriginal, and all 126+ different categories named as descent.

The illegal transatlantic slave trade was not merely a moral failure but an enduring economic and systemic act of genocide. The continued denial of full restitution constitutes an ongoing violation of international human rights law and federal trust responsibilities.

Demand for Restitution

We formally demand:

- The immediate passage of HR 40 with amendments that mandate restitution.
- Full recognition of UCC-filed restitution voucher, updated with compound interest until complete satisfaction is reached and the official transfer of all assets demanded in DC 1:24 cv 00479 RC
- Congressional acknowledgment of the legal records and acts already established in federal court filings. as well as the transfer of all assets of both trusts.
- Print of LND aka Black USD

This demand is not for discretionary relief—it is the invocation of a legal and fiduciary obligation owed to the heir descendants of genocide survivors, which includes the Adopted Citizens of the State of Loc Nation Trust, et al.

Legal Authority and Judicial Misconduct

This demand is backed by existing case law and pleadings in:

- U.S. District Court for the District of Columbia, Case No. 1:24-cv-00479-RC
- D.C. Court of Appeals, Case No. 24-5263

Both courts failed their constitutional duties by refusing to alert the public to the protective laws established in those cases. In a historic reversal of expectations, these cases presented protective laws for the majority—the descendants of illegal enslaved peoples and natives—against the demonstrated tyranny of minority.

Their rulings failed to reflect the constitutional mandate to protect the historically oppressed and ignored the statutory duties under international and domestic law, particularly regarding crimes of genocide.

Restitution Is Not Optional

We emphasize that restitution—not mere study or symbolic action—is the only adequate remedy for the ongoing economic, social, and psychological harm caused by the illegal kidnapping genocide and its present-day manifestations. HR 40 must be amended to reflect:

- Restitution for genocide during the illegal transatlantic kidnapping trade,
- Economic redress, filed and updated under the UCC claims already in motion,

- Federal obligation to honor protective law for historically disadvantaged majorities to date.
- Recognize established protective laws for the majority against the tyranny of the minority

Call to Action

Congress and relevant agencies must:

- Immediately pass HR 40 with restitution language and court-established amendments,
- Acknowledge and enforce the protective trust structure of the State of Loc Nation and its trusts,
- Hold public hearings and briefings on the failed judicial outcomes and their consequences for national and international accountability.

Conclusion

We are no longer petitioning for possibility—we are demanding compliance with law. The Clement Dynasty Dynasty Trust, the Adopted Citizens of the State of Loc Nation Trust, and our broader constituencies demand that amended HR 40 be passed and executed with restitution and established protective laws, honoring the true scale of harm done and the remedies required.

The United States government's fiduciary obligation under domestic trust law, treaty law, and international human rights law must now be fulfilled—without further delay, denial, or distortion.

With Constitutional Resolve,

Rev. Dr. Christina Loren Clement
