as **David and Solomon**, this coronation signifies **divine governance, stewardship, and commitment to serve in righteousness under God's authority.**

This sacred anointing is not a request for validation, but an acknowledgment of what has been **established by the Holy Spirit** and in alignment with **the covenant of Yahweh with the House of David**. My right to leadership is not one of earthly ambition but of **divine inheritance**, as my lineage traces back to King David and King Solomon, ordained rulers under God's law. In keeping with biblical precedent (1 Samuel 10:1, Exodus 30:22-25), the **Horn of Oil Ceremony** is a solemn affirmation of divine responsibility, obedience, and the fulfillment of a sacred commission to **govern in righteousness and truth.**

### **Ecclesiastical & Logistical Considerations**

- If there are any **ecclesiastical preparations or formal considerations** required? I welcome your counsel to ensure the highest reverence for this sacred event.
