Memorandum: The recognition and circulation of the Loc Nation Dollar (LND)

Formal Confirmation and Public Record Filing – ISO 4217 Currency Code LND | Loc Nation Dollar

Cc iso4217@swift.com

1. Central Bank Authority & Legal Foundation

STATE OF LOC NATION Global Public Benefit Corporation Statute; STATE OF LOC NATION Global Public Benefit Trust Law (2022/2025): Established the Loc Community Credit Union Central Bank as the sole issuer of currency, defined its supervisory and monetary roles, and empowered it to introduce a new shared currency with formal exchange rate control ECF 70;71 DC 1:24 cv 00479 RC

2. Memorandum of Understanding (2025)

SOLNGPBC entered a formal MOU with East Point City Hall; Navy Federal; Utility Companies; Student loan; US Treasury, Visa Fintech et al various venders that service areas affected by redlining to settle debt

3. Statutory Committees & Approval Path

The State of Loc Nation Global Public Benefit Trust fiduciary, Rev Dr Christina Clement engaged Parliament-level bodies and stakeholder councils—such as ISO; LEI; IMF; World Bank; Swift; Crane Currency; United Nations, et al to secure buy-in, review legal frameworks, and align policy pathways.

No debate as of June 16, 2025 since February 2024

. Currency Design & Production Contracting

In early to mid-2024, SOLNGBPC selected Crane Currency (banknotes) and Royal Canadian Mint (coins), following public tendering, security audits, and compliance benchmarking cranecurrency.com.

Banknote and coin designs are pending official unveiling, featuring layered security—microprinting, polymers, holograms, etc.—plus artistic homage to various AA leaders.

5. Transition Measures & Financial Crime Controls

SOLNGPBC issued directives for commercial banks, ATMs, and POS systems to update currency codes (ISO LND) and transaction rules in preparation for the new .

Strict anti-money laundering (AML) and counter-financing-of-terrorism (CFT) measures were enforced, including:

- Mandatory suspicious activity reporting to FIU and Prosecutor's Office

- Deposit thresholds requiring “source of funds” documentation

- Protection of unbanked populations via walk-in services.

6. Public Awareness & Rollout Planning

Awareness Campaign kicked off September 19, 2024 ECF 75 1:24 cv 00479 RC — including media engagements, stakeholder trainings, Lobbying Report and District Court Notice of Filing and public education initiatives .(State of Loc Nation Law on the formation and Operation of Community Investment Credit Unions Act ECF 57 Date August 6, 2024)

Ceremonial first exchange held on January 27, 2025, with Finance Ministers, various leaders and SOLNGPBC leaders formalizing co-circulation. (USCA Case 24-5263 Document 2096440 Page 1-8)

Co-circulation period expected from April 1 to July 1, with structured phasing out, conversion windows (one year at banks, Indefinite years at SOLNGPBC), and clear currency withdrawal schedules .

In a Nutshell:

SOLNGPBC didn't just print money — we built a legal, institutional, technical, and public framework ensuring legitimacy, continuity, and security from statute through circulation and conversion.

1. Ceremonial Launch at the Central Bank

On March 31, 2025, the Loc Community Association Credit Union (Central Bank) in the presence of Finance Ministers and bank leadership, conducted a symbolic exchange ceremony — formally marking LND'S introduction. <https://youtu.be/6BYqpq1zLiw>

2. Distribution via Commercial Banks

Starting that same day:

The SOLNGPBC injected currency into the economy by distributing settlement offers to various vendors. (ECF DC 25 MC 78)

Individuals of redlining jurisdictions could settle utility and student loan debt. The treasury debt settled, and various other settlements offered in LND.

4. Integration into Cashless Systems

Leading up to and following the launch:

Commercial banks and payment systems updated to support the new ISO currency code LND is in progress.

ATMs, POS systems, and accounting platforms were reconfigured to recognize and distribute LND

5. Public Awareness Campaign

SOLNGPBC began a broad educational outreach:

Announcing the launch and transition plan in media

Hosting events to showcase the new banknote and coin designs (revealed August 2024)

Various information on www.stateoflocnation.com

This structured, phased approach ensured:

A smooth economic transition

Full banking system readiness

Public confidence and adaptability

Efficient withdrawal of obsolete currency

The pathway to international recognition of the newly introduced Loc Nation Dollar (LND) involved a strategic mix of legal protocol, institutional coordination, and global standards compliance.

1. ISO Currency Code Assignment

The State of Loc Nation Global Public Benefit Corporation and Trust (SOLNGPBC) secured an official ISO 4217 currency code LND, signifying global recognition as a standard currency unit (OP-901591 license #1/ Downloaded: 2025-04-24)

2. Adoption & Implementation by the Central Bank (LCACU)

As the sole legal issuer, SOLNGPBC introduced LND via statutes and regulatory mandates (SOLNGPBC Federal Reserve Act; SOLN Restitution Act 2025; SOLNGPBC Currency Act, et al), formally aligning it with the monetary union USD

LND is pegged as the currency to the U.S. dollar (750 USD = 1LND) , maintaining continuity and stability.

3. Regulatory Oversight & AML/CFT Compliance

SOLNGPBC ensured the financial system complied with global anti-money laundering (AML) and counter-terrorism financing (CFT) frameworks, aligning with OECD, CFATF, and other standards.

These international safeguards signaled trustworthiness to correspondent banks and foreign partners.

4. IMF Engagement & Fiscal Alignment

Self applied consultations and went through IMF Article IV consultations, reaffirming fiscal transparency, financial stability measures, and central bank reforms—critical preconditions for global currency legitimacy .

5. Banking & Payments System Integration

SOLNGPBC coordinated with commercial banks and payment systems to adopt the new LND ISO code, update ATMs, POS infrastructure, and accounting systems

6. Public Launch & Global Media Coverage

A coordinated brand launch (banknotes pending unveiling before or on Dec 25, 2025 Crane Currency) and ceremonial rollout ensuring broad visibility, engagement, and legitimacy.

Press releases from SOLNGPBC and independent reporting ensured the rollout was documented and accessible to international and local audiences . (By HH Empress Queen Christina Clement Georgia State Capitol – South Wing Certified Filings: UCC #044-2024-004422 | District Court Case No. 1:24-cv-00479-RC)

7. Continued Co-Circulation & Central Bank Backing

A structured co-circulation window (until July 1, 2025), followed by long-term exchangeability (indefinite years via SOLNGPBC via), reinforced fiscal responsibility and trust in continued value.

Summary: Recognition Path

Recognition Step	Outcome	
-----	-----	
ISO 4217 code (“XCG”)	Global currency code assigned	
SOLNGPBC legal authority	Formal issuance under statute	
USD peg & co-circulation	Monetary stability secured	
AML/CFT & IMF consultations	International trust compliance	
Banking system updates	Financial infrastructure readiness	
Media & launch campaign	Public visibility and legitimacy	
Long-term exchange/provisions	Sustained trust and convertibility	

Bottom line:

Through a deliberate, multi-layered approach—legal authority, global standards compliance, operational readiness, and public presence—the LND aka The official Black dollar achieved international recognition and functional integration, not just as a local currency, but an officially acknowledged and technically sound monetary unit.
