

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLUMBIA

CHRISTINA CLEMENT and
HH EMPRESS QUEEN CHRISTINA LOCS IS OUR ARTIFACT OF FAITH

Plaintiff,

v.

Attorney General Merrick Garland and
Chief Justice John Roberts Jr.

Defendant,

Civil No: 24-cv-00479-RC

**PLAINTIFF'S MEMORANDUM OF POINTS AND AUTHORITIES IN OPPOSITION TO DEFENDANT'S
MOTION FOR AN EXTENSION OF TIME and PLAINTIFFS CONSTITUTIONAL CHALLENGES**

Motion to Oppress Defendant Extensions

Your honor I am seeking Motion to halt any further extensions to answer, several attempts were made to notify defendant, et al since 2022 to present including the submission of Alt form SF-95 in accordance with the FTCA. The following documents have been sent to the defendant, and various personnel as instructed through website, legal instructions and various other official offices throughout the years of 2022-present with no response via certified mailing, amazon shipment and email. I have also made several calls and visited various public meetings in hopes of speaking to various authorized parties to get this matter addressed. The result? No response. My next attempt was filing this court case 24-cv-00479-RC. I am unable to hire an attorney in attempts to avoid a conflict of interest with the matter of contested oath and jurisdiction confinements, no one at this time proved qualified or showed interest. Pro se litigation is my only option.

The Cases sent to parties mentioned are:

"Revealed the Kingdom of Locs Nazirite Vow Continues" Volume 1 ISBN-13 978-1088084595, January 14, 2023 Christina Clement ; Volume 2 ISBN-13 979-8218228460 July 1, 2023 HH Christina Clement (Author), International Commission Jurists ICJ (Contributor), NJS Hair Care Temple-Clients and Volume 3 which is the case file submitted by plaintiff which includes various facts, and

evidence related to the claims within this case along with “Locs linked to Spirituality” ISBN-13 979-8402061118 Jan 11, 2022 Christina Clement

By invoking these legal principles and authorities, we can argue persuasively for the cessation of extensions to answer, thus promoting the timely and equitable resolution of the case.

1. Sixth Amendment Constitutional Right to a Speedy Trial: The Sixth Amendment to the United States Constitution guarantees the right to a speedy trial. This principle underscores the importance of expeditious resolution of legal matters.

2. Rule 6 of Civil Procedure: Granting repeated extensions could contravene these rules and result in unfair treatment to all parties.

(b) EXTENDING TIME. (1) In General. When an act may or must be done within a specified time, the court may, for good cause, extend the time: (A) with or without motion or notice if the court acts, or if the request is made, before the original time or its extension expires; or (B) on motion made after the time has expired if the party failed to act because of excusable neglect. (2) Exceptions. A court must not extend the time to act under Rules 50(b) and (d), 52(b), 59(b), (d), and (e), and 60(b).

3. Case Law Precedent: Legal precedent often emphasizes the need for prompt resolution of legal disputes to ensure the efficient functioning of the judicial system and to prevent prejudice to either party.

4. Rule 12 of the Federal Rules of Civil Procedure (FRCP): Rule 12 outlines the time frame for filing an answer to a complaint after being served with the summons and complaint. It typically allows defendants a limited period to respond, emphasizing the importance of timely engagement in the legal process.

5. Judicial Efficiency: Courts have a vested interest in managing their dockets efficiently to ensure the swift administration of justice. Granting multiple extensions to answer could disrupt this efficiency and burden the court system unnecessarily along with possible prejudice to plaintiffs

What is the defendant's reasoning for the delay? Why do they need over 2 and ½ years to respond? I am aware that the information presented is very detailed so I understood there would be some time needed to review, however because the election now is in 7 months' time is of the essence. These factors include the length of delay, the reason for the delay, the defendant's assertion of their right. The prejudice suffered by plaintiff as a result of the delay is an urgency as the election in a short few month, November 5, 2024?

6. Judicial Efficiency: Courts have a vested interest in managing their dockets efficiently to ensure the swift administration of justice. Granting multiple extensions to answer could disrupt this efficiency and burden the court system unnecessarily.

7. Prejudice to the Plaintiff: Allowing repeated extensions could prejudice the plaintiff by delaying the resolution of their claims and impeding their ability to seek timely relief. Is this the intent being used? If so, this could undermine the plaintiff's interests in a fair and expeditious resolution of the case. Do you also agree?

8. Equitable Treatment: Fairness and equity dictate that both parties should be held to the same standards regarding deadlines and procedural requirements. Granting extensions to one party without sufficient cause could create an imbalance in the litigation process. Which would also prove the same character of original claims. Would you agree with your Honor? How can we assure to promote fairness, efficiency, and is this an effective administration of justice by making a compelling argument for the cessation of extensions to answer?

- The concept of equitable treatment is inherent in the notions of due process and equal protection under the law, as guaranteed by the Fifth and Fourteenth Amendments to the United States Constitution.

All of 2023 I have attempted to follow every channel of outreach via direct email, cert mail and Amazon delivery services presenting this very case, I am unclear why more time is needed as I have a Presidential election to win this coming November 2024? I have also sent via email to the court's clerks' correspondence and cert receipts. Please see below screen shots of sent messages, I have also reached out to the Title Association, Senators, Congressman and several offices in United Nations.
