Public Advisory: Verifying Legitimate Executive Orders and Declarations

The State of Loc Nation Government advises the public, institutions, and media outlets to confirm the authenticity of any presidential or executive order through official public records.

For United States federal orders, verification can be done instantly at:

- <https://www.whitehouse.gov/briefing-room/presidential-actions/>
- <https://www.federalregister.gov/>

Any legitimate Executive Order, Presidential Memorandum, or Declaration will appear in one or both of these official archives.

Verification for the State of Loc Nation Government

All official orders, declarations, court filings, and executive actions issued by the State of Loc Nation Government are publicly verifiable at:

- https://archive.org/details/@state_of_loc_nation_court_docs/uploads
- <https://www.stateoflocnation.com>

These official platforms serve as the recognized record repositories of authenticated State of Loc Nation directives, treaties, proclamations, and legal instruments issued under sovereign authority by the Office of the President and Treasury.

About the State of Loc Nation Government

The State of Loc Nation Government operates as a sovereign public benefit government founded upon law, faith, and justice.

It upholds restitution, equity, and self-determination for historically underfunded and redlined communities.

Through transparent publication and public access, all official communications, orders, and national policies are made verifiable by the global public.
