## **Let Us Ascend the Mountain of the Lord**

**You are the Salt of the Earth---You are the Light of the World**

*Reflections on the Beatitudes according to St. Matthew's Gospel*

Our Retreat will take its inspiration from the Gospel of St. Matthew, Chapters 5-6-7. Pope Francis reflected on the Beatitudes in his Apostolic Letter '*Gaudete et Exsultate (Rejoice and Be Glad)*' providing us with powerful reflections on the Beatitudes and the quest for holiness.

Jesus ascends the mountain inviting his disciples to open the doors to the Reign (Providence) of God.

We will explore each Beatitude from the Gospel perspective found throughout Matthew's Gospel.

Jesus, then, will be our guide and exemplar as we journey with him up the Mountain of Beatitude so we may be faithful servants in the valleys of people's hurts, sorrows, longings and hope. Our final commentary on the Beatitudes will be a reflective exploration of Matthew 25:31-46.
