

The Society of the Divine Savior, SDS, is a Catholic religious community of priests and brothers, commonly called Salvatorians. The Salvatorians of the USA Province, in collaboration with the Salvatorians of the Tanzanian Pro-Province, are pleased to announce the SDS Encounter Tanzania 2024. Participants will experience the grassroots reality of the church in Tanzania by sharing in the life and ministry of Salvatorian men and women. You will be the guests of the Salvatorians in Tanzania and visit parishes, hospitals, schools, Jordan University College and other ministries. The program is designed to be safe, challenging, and meaningful. Participants are guided by Tanzanian Salvatorians into closer contact with the daily life of ordinary people.

Salvatorians are called to follow Jesus Christ the Divine Savior by living as community within the universal Church for apostolic service. Salvatorians fulfill their mission by being one with those they serve, manifesting to the world the goodness and kindness of our Savior by all ways and means.

SDS Encounter Tanzania

July 1-20, 2024

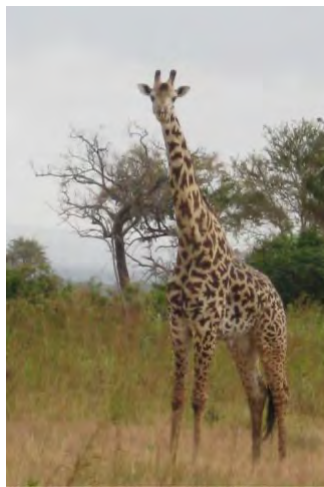

Our Challenge as Salvatorians:

Moved by the words of the Gospel: “Eternal life is this: to know You, the only true God, and Jesus Christ whom You have sent,” our Founder (Bl. Francis Jordan) gave us the command and mission not to rest content until all people know, love and serve Jesus as their Savior. *(From the Constitution of the Society of the Divine Savior, No. 103, p.2)*

The Encounter consists of a four-week informal tour of Salvatorian life in the Dioceses of Dar es Salaam, Tunduro-Masasi and Morogoro. Participants will learn about the language, customs, culture, and the Church in Tanzania with readings, discussion, speakers and day trips.

The approximate cost is \$4,500.00, which covers airfare from Chicago, government visas, all land travel in Tanzania, workshops, Salvatorian guides, meals and lodgings.

More than a tour: Most Americans find it hard to imagine what daily life is like for people in developing countries. The Encounter will show you first-hand how ordinary people live, their struggles and triumphs, their joys, sorrows, and ordinary faith.

Participants must be 18 years of age or older and possess a current US Passport with at least six months of validity left on the passport from the last day of the experience. Medical vaccinations may be required.

Participants must be in good health, be able to walk on unsteady ground, climb into jeeps and carry their own suitcases. More information on health demands will be provided once interest in the Encounter is expressed.
