Section 1: GENERAL RULES

Equipment /Dress Code: AQHA western equipment is required; NRCHA equipment is acceptable but not required in non-sanctioned classes. Exceptions to the equipment rules are outlined under for each division such as, but not limited to green riders. Horses under the age of five may be shown in a snaffle bit with two hands on the reins. AQHA dress code requires boots, cowboy hat or helmet (NYS 14 and under helmet law required), long sleeve shirt, and western jeans. Chaps are optional for club classes.

Protesting: If a NYRCHA member would like to protest the eligibility of another NYRCHA member there is a form available at the secretary's office. To protest you must fill out, sign and present \$50 Protest fee to the NRCHA Representative. If any member of show management protests, the fee is waived.

Year-End Awards: Each cattle class offered will be awarded its own year-end high point except for the following: Youth Lead-line, Ranch on the Rail, Ranch Riding and NYRCHA Fence or Box Class (schooling classes). For a rider to qualify for year-end awards, they must ride 1 more than 50% of the time the class is offered (i.e., if a class is offered 5x, you must show 3, if offered 12x, you must show 7).

Scoring will be cumulative based upon your highest scores of the year using your top half plus one scores. Example: A class is offered 12x, you show all 12x, we will use your top 7 scores of the year to rank you. If a class is offered 5x, and you show all 5x, your top 3 scores will be used.

Riders must be members of the NYRCHA to qualify. Points are calculated on a rider/horse combination with the exception of Open and Green Horse. Rider may show multiple horses in any class.

Section 2: HERD WORK CLASSES

Herd Work: Competition Rules per NRCHA Rulebook Section 19.1 – Herd of cattle will be located in the center of back wall of the arena. Judging will begin at the timeline. The contestant shall approach the herd with no hesitation, weaving or reluctance on the part of the horse to enter the herd sufficiently deep enough to show his ability to make a cut. The horse shall work quietly, but alertly, causing very little disturbance to the herd or the animal brought out. Credit will be given for driving cattle, clearing the herd by a sufficient distance and setting up a cow while holding it in a working position as near the center of the arena as possible. The degree of difficulty, eye appeal and the amount of courage in staying tough on a cow will be taken into consideration. The amount of time actually spent working cattle in the two and half minute period will also have an effect on the total score. The horse should show a great deal of expression but no ill will toward

the cattle. Judging will end at the whistle.

Divisions of Open, Non-Pro, Green Rider, and Green Horse will be held. Some divisions may run concurrent at the discretion of the board; however, they will still be placed by division.
