Nassau Retirees Legal Fund Endorses Legislator Patrick Mullaney for Re-Election in District 4

The Nassau Retirees Legal Fund (NRLF), representing thousands of Nassau County retirees who were represented by the CSEA Local 830 when they were employed, proudly endorses **Patrick Mullaney** for re-election as Nassau County Legislator for District 4.

Throughout the ongoing battle to protect retirees' health insurance, Legislator Mullaney has distinguished himself by his **professional conduct, honesty, and transparency**. In a time when many elected officials chose silence or political maneuvering, Mr. Mullaney stood out for his willingness to engage directly with retirees, answer difficult questions when able, and provide clear and accurate information.

Patrick Mullaney has consistently shown respect for the service and sacrifices of Nassau's retirees. By conducting himself with integrity and openness, he has earned the trust of those who devoted their careers to building and protecting our County. His actions during this critical fight proved that he is not only a representative of the people, but also an advocate for fairness and accountability in government.

"Our retirees value honesty and transparency above all else. Legislator Patrick Mullaney has been a true example of both during our fight to preserve the health insurance benefits we earned," said the Nassau Retirees Legal Fund. "He has conducted himself with professionalism and respect. That is why he has earned our full endorsement for re-election."

The Nassau Retirees Legal Fund urges voters in District 4 to support **Patrick Mullaney** this election. His proven record of integrity and his steadfast commitment to retirees make him the clear choice to continue representing Nassau County with honor.

In solidarity,

The Nassau Retirees Legal Fund Board
